General Instructions

Purpose of Form

Form 8655 is used to authorize a reporting agent to:

- Sign and file certain returns;
- Make deposits and payments for certain returns;
- Receive duplicate copies of tax information, notices, and other written and/or electronic communication regarding any authority granted; and
- Provide IRS with information to aid in penalty relief determinations related to the authority granted on Form 8655.

Authority Granted

Once Form 8655 is signed, any authority granted is effective beginning with the period indicated on lines 15 or 16 and continues indefinitely unless revoked by the taxpayer or reporting agent. No authorization or authority is granted for periods prior to the period(s) indicated on Form 8655.

Where authority is granted for any form, it is also effective for related forms such as the corresponding non-English language form, amended return, (Form 941-X, 941-X(PR), 943-X, 944-X(PR), 945-X, or CT-1X) payment voucher, or deposit coupon. In addition to the returns shown on lines 15 and 16, Form 8655 can be used to provide authorization for Form 944-SP using the entry spaces for Form 944. The form also can be used to authorize a reporting agent to make deposits and payments for other returns in the Form 1120 series, such as Form 1120-C, using the entry space for Form 1120 on line 16.

Disclosure authority granted on line 17a is effective on the date Form 8655 is signed by the taxpayer. Any authority granted on Form 8655 does not revoke and has no effect on any authority granted on Forms 2848 or 8821, or any third-party designee checkbox authority.

Where To File

Send Form 8655 to:

Internal Revenue Service
Accounts Management Service Center
MS 6748 RAF Team
1973 North Rulon White Blvd.
Ogden, UT 84404

You can fax Form 8655 to the IRS. The number is 801-620-4142.

Additional Information

Additional information concerning reporting agent authorizations may be found in:

- **Pub. 1474**, Technical Specifications Guide for Reporting Agent Authorizations and Federal Tax Depositors.
- **Rev. Proc. 2007-38**. You can find Rev. Proc. 2007-38 on page 1442 of Internal Revenue Bulletin 2007-25 at www.irs.gov/pub/irs-irbs/irb07-25.pdf.

Substitute Form 8655

If you want to prepare and use a substitute Form 8655, see Pub. 1167, General Rules and Specifications for Substitute Forms and Schedules. If your substitute Form 8655 is approved, the form approval number must be printed in the lower left margin of each substitute Form 8655 you file with the IRS.

Revoking an Authorization

If you have a valid Form 8655 on file with the IRS, the filing of a new Form 8655 revokes the authority of the prior reporting agent beginning with the period indicated on the new Form 8655. However, the prior reporting agent is still an authorized reporting agent and retains any previously granted disclosure authority for the periods prior to the beginning period of the new reporting agent's authorization unless specifically revoked.

If the taxpayer wants to revoke an existing authorization, send a copy of the previously executed Form 8655 to the IRS at the address under *Where To File*, above. Re-sign the copy of the Form 8655 under the original signature. Write "REVOKE" across the top of the form. If you do not have a copy of the authorization you want to revoke, send a statement to the IRS. The statement of revocation must indicate that the authority of the reporting agent is revoked and must be signed by the taxpayer. Also, list the name and address of each reporting agent whose authority is revoked.

Withdrawing from reporting authority. A reporting agent can withdraw from authority by filing a statement with the IRS, either on paper or using a delete process. The statement must be signed by the reporting agent (if filed on paper) and identify the name and address of the taxpayer and authorization(s) from which the reporting agent is withdrawing. For information on the delete process, see Pub. 1474.

Specific Instructions

Line 15
