Employee Website – www.woodcountyohio.gov
Employee Handbook/union contracts
Employee Newsletter
Events
Employee Picnic & Safety Fair (June)
United Way Campaign
Employee Recognition (January)
Blood Drives
Employee Training
Acknowledgement of Training & Evaluation

QUESTION AND ANSWER PERIOD

Do we have as much sense as a goose?

In the Spring, when you see geese heading North for the Summer or South in the Fall, flying along in "V" formation, you might be interested in knowing what scientists have discovered about why they fly that way. It has been learned that as each bird flaps its wings, it creates an uplift for the bird immediately following.

By flying in "V" formation, the whole flock adds at least 71% greater flying range than if each bird flew on its own.

Basic Truth #1- People who share a common direction and sense of community can get where they are going quicker and easier because they are traveling on the thrust of one another.

Whenever a goose falls out of formation, it suddenly feels the drag and resistance of trying to go it alone and quickly gets back into formation to take advantage of the lifting power of the bird immediately in front.

Basic Truth #2- If we have as much sense as a goose, we will stay in formation with those who are heading in the same direction as we are.

When the lead goose gets tired, he rotates back in the wing and another goose flies point.

Basic Truth #3- It pays to take turns doing hard jobs, with people or with flying geese.

These geese honk from behind to encourage those up front to keep up their speed.

Basic Truth #4- We need to be careful what we say when we honk from behind.

Finally, when a goose gets sick, or is wounded by gunshot, and falls out, two geese fall out of formation and follow him down to help and protect him. They stay with him until he is either able to fly or until he is dead, and then they launch out on their own or with another formation until they catch up with their group.

Final Truth- If we have the sense of a goose, we will stand by each other, protect one another and sometimes make new friends who seem to be going in our direction.

Author unknown

Wood County Elected Officials

Each Ohio county organized under the general statutory law has eleven elected officials consisting of three county commissioners and an auditor, treasurer, prosecuting attorney, clerk of courts of common pleas, engineer, coroner, recorder and sheriff. There is no chief executive officer; each elected official possesses some executive authority. Wood County has 15 independent elected officials. A brief description of the duties of each elected official is listed. For additional information, refer to the Wood County Annual Report that is available on the Wood County website, www.co.wood.oh.us.

Auditor • Matthew Oestreich

The Auditor serves as the county's chief fiscal officer and appraiser. He is responsible for financial reports, the county's payroll and the review and payment of all county bills. Distribution to all subdivisions of real estate tax and local government funds are other responsibilities of the Auditor. He is the sealer of weights and measures for the county, serves as secretary of the Budget Commission, Board of Revision and the Data Processing Board, and administers the county's GIS department.

Board of County Commissioners • Doris I. Herringshaw, Ed.D., Craig LaHote, Dr. Theodore H. Bowlus

The Board of County Commissioners is the administrative coordinator of county Government and has direct oversight responsibility for 13 agencies and departments. Together the Commissioners manage county funds, buildings and property, and also serve as the county's contracting and tax authority. The Board is authorized to perform its duties under Chapters 305 and 307 of the Ohio Revised Code.

Clerk of Courts • Cindy Hofner

The Clerk of Courts maintains the records of Common Pleas Court, issues motor vehicle and watercraft titles and serves as Clerk for the Sixth District Court of Appeals. By statute she is a member of the Data Processing Board and Records Commission.

Coroner • Douglas W. Hess, M.D.

The Coroner evaluates and rules on all violent, accidental and suspicious circumstance deaths including homicides, suicides and sudden deaths of persons in apparent good health. The Coroner generally does not investigate deaths that occur from natural causes, when the person has a family physician. The Coroner is a Ohio licensed physician in good standing who carries out and directs the investigation of deaths in the county. The investigation may involve the scene, as well as labs, x-rays and autopsies as needed. The Coroner is authorized to perform his duties under Chapter 313 of the Ohio Revised Code.

Wood County Elected Officials

Court of Common Pleas • Court 1 – Matthew Reger, Court 2 – Mary “Molly” Mack, Court 4 - Alan Mayberry

The Court of Common Pleas, General Division, adjudicates felony criminal cases; all civil actions including those arising out of automobile accidents, product liability claims, real estate matters, contract disputes; administrative appeals, such as those in the areas of worker's compensation, unemployment compensation; and appeals from certain local governments. The Court also adjudicates divorces, dissolutions, child and spousal support enforcement and modification, and the allocation of parental rights and responsibilities. The Judges supervise the Grand Jury, which

determines if, based upon the evidence presented by the Prosecuting Attorney, probable cause exists to charge an accused with a felony criminal offense. If the Grand Jury so finds, they return an indictment, advising the accused of the nature of the charges. The matter then goes before the Court for further proceedings. The Judges appoint members to the Veterans Service Commission, Public Defender Commission, Wood County Law Library Resources Board and the Wood County Public Library Board.

Engineer • John Musteric

The Engineer has the responsibility of maintaining the county's 245 miles of road, 441 bridges, 2,500 culverts and traffic control signs. Under the ditch maintenance program, the Office is responsible for cleaning and debrushing more than 600 miles of open streams and ditches, which is just part of the more than 3,000 miles of open watercourses in the county. The Office also provides cost estimations for road repair projects; assists with grant applications and right-of-way location surveys; investigates drainage problems; and maintains tax map records of daily land transactions such as annexations and parcel splits. In addition to the county roads, Highway Garage staff apply surface treatment to some of the 989 miles of Township roads. The Engineer oversees staff at the County Office Building and at the Highway Garage and also serves as engineer for each of the 19 townships. He is authorized to perform his duties under Chapter 315 of the Ohio Revised Code.

Probate/Juvenile Court • David Woessner

Cases heard in Probate Court involve decedent's estates, guardianships, conservatorships, trust related actions, civil actions, adoptions, mental illness, minor settlements, and wrongful deaths. In addition, the Probate Court provides registration services for births, name changes, miscellaneous filings and marriage license applications. The Probate Court Judge also makes a number of appointments to Boards and agencies as allowed by law and performs his duties under Chapter 2101 of the Ohio Revised Code.

The Juvenile Court hears cases concerning traffic offenses, delinquency, unruliness, neglect, abuse, dependency and custody involving individuals under the age of 18, as well as paternity cases for adults and children. The Court may also hear misdemeanor cases involving adults charged with victimizing children. The Juvenile Detention Center is also administered through the Juvenile Court. The Juvenile Court's jurisdiction is outlined in, but not limited to, Section 2151.23 of the Ohio Revised Code.

Prosecuting Attorney • Paul Dobson

The Prosecuting Attorney's Office consists of four legal divisions: criminal, juvenile, civil, and appellate. The Criminal Division prosecutes all felony criminal offenses committed in the county by adults. The Juvenile Division prosecutes all cases involving juvenile offenders, whether felony or misdemeanor. Further, the Juvenile Division, in cooperation with the Department of Job and Family Services, prosecutes adults for acts of abuse, neglect or dependency against children (also known as "status" offenses). The Civil Division represented the county, townships and schools in proceedings before state and local administrative agencies, and state and federal courts.

Wood County Elected Officials

Recorder • Julie Baumgardner

The Recorder's Office is responsible for making a complete, accurate, and permanent record of every document pertaining to the conveyance and encumbrance of land within the county. The office takes great care to ensure that every document received is accurately filed, recorded, indexed and retained in an archival form. As the repository of records for all property transactions in the county, the Recorder's Office safeguards every property owner's title. Though real estate documents constitute the majority of filings in the office, financing statements on personal property, military discharge papers and a listing of veteran's graves in the county are also filed in the Recorder's Office.

Sheriff • Mark Wasylyshyn

As the county's chief law enforcement officer, the Sheriff provides law enforcement, correctional services and civil services to residents. The Sheriff polices and serves all areas in the county and provides contract police services. The Office of the Sheriff is unique among law enforcement organizations. The Sheriff is the only elected law enforcement official in the State of Ohio. The Sheriff is authorized to perform his duties under Chapter 311 of the Ohio Revised Code.

Treasurer • Jane Spoerl

The Treasurer oversees the receipt and disbursement of funds for the county and collects taxes for the county, as well as for the schools, municipalities and townships within the county. The largest source of revenue is generated through real property taxes. More than 18 area financial offices serve the county as real estate tax payment sites. Qualifying taxpayers may utilize an available escrow program or delinquent tax repayment program. The Treasurer's Office also collects taxes on mobile homes and inheritance. The Treasurer serves on the Budget Commission, Board of Revision and Data Processing Board in addition to her duties as Investing Authority for the Investment Advisory Board and is authorized to perform her duties under Section 321 and 323 of the Ohio Revised Code.

Governing Boards and Commissions

Individuals from across the county provide representation on a number of Wood County governing boards and commissions. Their role is to provide knowledge and support to enhance the functioning of county government.

A listing of boards and commissions with Commissioners' appointments is available on the Wood County website under the Board of County Commissioners' link.

If you are interested in serving as a member on a county board or commission, please complete an Application for Volunteer Service located at www.co.wood.oh.us/commissioners, and return it to the Commissioners' Office along with a copy of a resume for future reference. You may also contact the Commissioners' Office for a copy of the application.

A Brief History of Wood County

Wood County was organized on February 12, 1820, when the Legislature carved 14 counties from the lands purchased from the Indians as a result of the Lower Maumee Treaty of September 29, 1817. Lucas County was then a part of Wood County. By law, Maumee was named as the temporary county seat. The Act further provided that the unorganized counties of Hancock, Henry, Putnam, Paulding, and Williams should be attached to Wood County for civil purposes until further provisions were made by law.

Wood County was named for Colonel Eleazer D. Wood, a graduate of West Point, a gallant soldier and the engineer who planned Fort Meigs.

The selection of county officers took place on April 1, 1820. In May 1822, the Commissioners designated Perrysburg as the first County Seat. It remained so until 1868 when the County Seat was moved to Bowling Green.

The County lines were the same as now, except that the northern boundary extended to Michigan. In 1835, Wood County was dismembered when Lucas County was formed and the Maumee River became its northern boundary.

Out of the Great Black Swamp of yesterday has emerged a well-drained, rich, fertile, and productive county.

Listed below are known dates of Village Incorporations. Please note that these dates may differ from the dates the villages were platted.

- History of Wood County

Many Wood County residents may not know where to turn when they need help.

Wood County's No Wrong Door program provides information about services and resources with one call to any of the member agencies. No Wrong Door can help with the real life challenges that touch Wood County residents and provide guidance for issues like home repair, employment, food, clothing, shelter, financial assistance and more.

No Wrong Door is a program of the Family and Children First Council of Wood County, a partnership of Wood County human and social service agencies, schools, law enforcement agencies, government and the courts, dedicated to assisting Wood County residents in need.

If you need help and don't know where to turn, just call any one of the agencies listed and they will guide you to the services you need.

EMPLOYMENT RIGHTS AND PERSONAL CONDUCT

PRESENTED BY THE WOOD COUNTY PROSECUTING
ATTORNEY'S OFFICE

Welcome to Public Employment

As a public employee you will find that employment policies have several layers.

This session will review the different policies that apply within county government and your rights as an employee.

Refer to the Employee Handbook for additional information.

Appointing Authorities and bargaining unit contracts may have different policies than those contained in this presentation.

Employment Status

CLASSIFIED EMPLOYEE

Classified employees may continue employment in their positions during good behavior and efficient service.

Cannot be suspended, reduced in pay or position, or terminated except for causes set forth in ORC 124.34.

UNCLASSIFIED EMPLOYEE

Unclassified employees are those persons exempted from classified service by statute and/or persons employed by and directly responsible to elected county officials who hold a fiduciary or administrative relationship.

Serve at the pleasure of their appointing authority, i.e., are employees at will.

Includes employees with temporary or intermittent appointments as well as probationary employees.

Probationary Period

Allows new employees time to become accustomed to their duties.

Probationary period for classified employees is fixed at 180 calendar days.

Bargaining Units may differ – refer to union contract

Some longer periods, not in excess of one year, may be established for specific job classifications

Appointing Authority may extend probationary period up to 60 days

Promoted classified employees are subject to a new probationary period.

Performance Reviews

Classified employees may meet with their Supervisors for a performance review at the completion of the probationary period and on an annual basis. (Varies by Appointing Authority)

This evaluation records the overall quality of employees' work performance, indicates desirable capabilities, sets goals and identifies the work, attitude, and/or behavior needing improvement.

A special performance evaluation may be conducted at any time when a Supervisor recognizes unusual excellence or deficiencies in an employee's work.

Personal Conduct

Employees represent their Appointing Authority and Wood County in performing their assigned duties and shall comply with all policies, procedures, rules and regulations set forth by the Appointing Authority.

County employees shall comply with the laws of the State of Ohio and shall conduct themselves, both on and off the job, in a manner which will elicit confidence and respect from the citizens of Wood County.

Good Behavior

Disrespect of Supervisors and fellow employees, rude or hurtful comments about and discourteous treatment of the Wood County employees or customers, inappropriate language, public intoxication on and off the job and the like are examples of "failure of good behavior".

Employees off duty conduct that could reasonably negatively impact the County may form the basis for discipline.

Employees shall report any incident or conduct they believe is inappropriate and/or in violation of County policies and procedures including incidents actually observed, reported by citizens, reported by staff, or suspected due to other facts to their Supervisor.

Social Media

Personal Conduct also includes employees' use of social media both while on-duty and off-duty.

Free speech is not protected unless the speech is a matter of public concern.

Employees may be disciplined for speech that negatively affects the workplace or reflects poorly on the County.

Personal Appearance

Employees shall report to work well groomed and in clean, well-maintained attire appropriate to their employment. Employees must comply with any dress code requirements.

Personal Conduct

Workplace Romances

Relationships between employees is not prohibited.

Employees shall notify their Supervisors of on-going romantic relationships with other employees to determine if a conflict exists between the employees performance of the duties of their position and their personal relationship.

Supervisors may not engage in a romantic or sexual relationship with any employee they directly, or indirectly supervise.

Misdemeanor and Felony Charges

Employees must immediately notify their Supervisor of any charges.

Traffic offenses must also be reported per the Motor Vehicle Policy.

A copy of the complaint must be provided within two business days.

Confidential Information

Includes adoption records, probation and parole records, receipt of public assistance, medical records, confidential law enforcement records, peace officer residential and familial information, trial preparation records

Any negligent or intentional disclosure of confidential information obtained through employment not only constitutes grounds for dismissal, but also may subject the employee to a penalty under Ohio law.

Check with your Appointing Authority to see what is confidential within your office.

Public Records Policy

Record – defined as any item kept by a public office that meets all of the following:

- Is stored on a fixed medium (paper, electronic – including but not limited to e-mail, and other formats)
- Is created or received by, or sent under the jurisdiction of a public office
- Documents the organization, functions, policies, decisions, procedures, operations, or other activities of the office.

The confidential nature of certain types of information or records precludes their release.

All public records shall be promptly prepared and made available for inspection to any person during regular business hours.

Refer to the Public Records Policy on how to respond to a public records request.

Records Retention

Records Management

Records are subject to records retention schedules.

These schedules list records created or received by an office and the length of retention.

When a record reaches the end of its retention period, the County shall dispose of the record and properly document its disposal.

Some records are permanent records.

Each office has its own records retention schedule. Contact your supervisor before throwing "inherited" items away.

Internet and Email as a Public Record

Use of the internet and email may constitute a public record if it documents the organization, functions, policies, decisions, procedures, operations or activities of a public office.

Records in private email accounts used to conduct public business on public property may also be subject to disclosure and must be retained as records of the public office, according to the records retention schedule.

Use of County Property

Employees are provided with equipment to perform the duties of their positions: key fobs, vehicles, materials, tools, supplies, computers, telephones, copy machines, cell phones, etc.

County property shall only be used for work related duties. Limited personal use is permitted for office equipment such as telephones, copy machines, fax machines, computers, etc.

Issued equipment shall be charged for use and operational during scheduled work hours and on-call status.

Employees shall report malfunctioning, damaged, defective, or lost County property immediately to their Supervisor.

Employees must return all County property upon termination of employment and pay for lost or unreturned County property.

No employee shall take any property that is no longer needed for County use. Such property shall be disposed of in accordance with ORC 307.12 (e.g., Internet Auction).

Anything of Value =
money, goods, chattels, future employment, interest in realty, and “every other thing of value”

Immediate Family =
Spouse, children, siblings, parents, grandparents, grandchildren regardless of where they reside. Also includes any other person related by blood or marriage and living in the same household.

Significant Relationship =
People living together as a spousal or family unit when not legally married or related where the nature of the relationship may impair their objectivity or independence of judgment.

Business Associates =
Parties who are joined together in a relationship for business purposes or acting to pursue a common business purpose or enterprise.

Conflicts of Interest

Employment Decisions

- Based solely on job-related qualifications
- Employees may not authorize or use the authority of influence of their position in any employment related decisions involving an immediate family member, significant relationship, or business associate

Public Contracts

- Employees shall not award a contract to an immediate family member, significant relationship, or business associate or have an interest in a public contract unless requirements of ORC 2921.42 are met.
- Employees shall not use the authority or influence of their position to secure nor shall they solicit, accept, give or promise anything of value that is of such character as to have a substantial or improper influence upon the employee with respect to his/her duties.

Additional Employment

Employees seeking or engaged in outside employment or service on a board or commission must notify their Department Head in writing by using the Notification of Additional/Self Employment or Board/Commission Service form.

- Is it physically possible to perform duties of both positions?
- Does employment interfere with duties of employee's county position and the assigned hours of work?

Employees shall not engage in or conduct outside private business during scheduled working hours.

An Incompatible Position

- Creates divided loyalties
- Is subordinate to a position concurrently occupied by an employee
- Is in any way a check on a position concurrently occupied by an employee
- Is physically impossible for one person to discharge the duties of both position
- Violates a specific constitutional or statutory provision prohibiting a person from serving in both positions

Employees who accept a position which is incompatible with their existing public employment or service is deemed by Ohio law to have forfeited the first position held.

BULLETIN — GIFTS AND ENTERTAINMENT FEBRUARY 21, 2013

I. INTRODUCTION

Public officials and employees at all levels of state and local government ask the Ethics Commission for guidance about what they can and cannot accept as gifts and entertainment from family, friends, acquaintances, and other persons. This bulletin provides guidance and explains the law prohibiting acceptance of gifts in many circumstances.¹

What does the law prohibit?

Ohio's Ethics Law prohibits all public officials and all public employees from soliciting or accepting a gift of a substantial value, including entertainment, from any "prohibited source." A "prohibited source" is any person, company, organization, or other entity that has any of these relationships with the public agency an official or employee serves:

- Doing or seeking to do business with the agency;
- Regulated by the agency; or
- Interested in matters before the agency.

A public official or employee also cannot accept compensation for the performance of his or her public job duties from any source other than their public employer.

Who is a "public official"?

A public official is any person, paid or unpaid, and regardless of how much money he or she is

paid, who is elected or appointed to a full time or part time position.

Who is a "public employee"?

A public employee is any person, paid or unpaid, and regardless of how much money he or she is paid, who is employed by a public agency in a full time or part time public job.

II. ACCEPTING GIFTS/ENTERTAINMENT

To know whether you can accept a gift, meal, or entertainment, you need to determine both:

- The value of the item; and
- The source of the item.

If the gift is substantial in value and is from one of the prohibited sources described earlier, you must return it to the giver.

However, you can accept a gift of nominal value from any giver. Gifts of nominal value include promotional items, such as a t-shirt, mouse pad, or a coffee mug.

Personal Friendship

You can also accept a gift of any value if the giver is not a "prohibited source." For example, you can accept a gift if it is clear that the gift is motivated by the giver's family relationship or a personal friendship with you, rather than by your public position. Relevant factors to consider include²:

- The duration and nature of the pre-existing private relationship;
- Whether it has been common for you to exchange gifts with the giver before you became a public official or employee;
- Whether the giver personally paid for the gift or identified it for business reimbursement; and
- Whether, to your knowledge, the giver also gave the same or similar gifts to other officials or employees of your agency.

Gifts from Vendors

You are prohibited from accepting a gift or entertainment, of a substantial value, from a vendor to your agency. However:

- The Ethics Law does not prohibit you from socializing with anyone.
- If you are going to a restaurant with a vendor to your agency, and the cost of the meal will be substantial, you should pay your own way.
- If you are invited to attend an open house hosted by one of your agency's vendors, in most cases, you would be able to accept the invitation because the per-person value of an open house is unlikely to be substantial.
- If you are invited to attend an expensive event hosted by a vendor, or an event that includes expensive tickets (such as a sporting event, concert, theater performance, or any similarly valued event), you should either: (a) decline the invitation; or (b) pay the per-person cost to attend the event and the greater of the face value of, or the amount the giver paid for, the tickets.
- The Commission has said in prior advisory opinions that meals at expensive restaurants, exclusive golf outings, season tickets to games of a

sports team, and travel, meal and lodging expenses are also of a substantial value.³

Remember that you cannot accept compensation from anyone other than the agency you serve. This means that if a vendor gives you cash or a cash-equivalent (such as a gift card) as a "thank you" for your public duties, you must return it.

III. FINANCIAL DISCLOSURE

If you are required to file a financial disclosure statement with the Ethics Commission, then you may have to disclose sources of gifts you have received.

- Most filers must disclose gifts over \$75.⁴
- You need to disclose **all** sources of gifts over the threshold amount -- even if the person who gave it to you is a personal friend or does not have any connection with your public agency.
- You do not need to disclose the amount or nature of the gift.
- You do not need to disclose the source of a gift if it was given to you by any of the following family members:
 - Spouse, parents, siblings, or children;
 - Grandparents or grandchildren;
 - Nephews, nieces, uncles, or aunts;
 - Brothers-in-law, sisters-in-law, sons-in-law, daughters-in-law, fathers-in-law or mothers-in-law; or
 - Any person to whom you stand in loco parentis (that is, you serve as their parent).

You also don't have to disclose any gift you received by distribution from any trust established by your spouse or other relative.

Political Activity

Permitted for Classified Employee

- Registration and Voting
- Expression of opinions, oral or written
- Voluntary Financial Contributions
- Circulation of nonpartisan petitions
- Attendance at political rallies
- Signing nominating petitions
- Display of political materials in the employee's home or on the employee's property

Wearing political badges or buttons, or the display of political stickers on private vehicles

- Serving as a precinct election official (use of vacation leave or comp time, if available)

Unclassified Employees are not prohibited from engaging in political activity unless specifically precluded by federal or state constitutional or statutory provisions.

Prohibited for Classified Employee

- Candidacy for public office in a partisan election or nonpartisan general election if the nomination was obtained in a partisan primary or circulation of nominating petitions identified with a political party
- Filing of petitions for partisan candidacy
- Circulation of official nominating petitions for any candidate participating in a partisan election
- Service in an elected or appointed office in a partisan political organization
- Acceptance of a party-sponsored appointment to any office normally filled by partisan election
- Campaigning in writing for publications, by distributing political material, or by writing or making speeches on behalf of a candidate for partisan elective office
- Solicitation of any assessment, contribution, or subscription, either monetary or in-kind, for any political party of political candidate
- Partisan activities at the election polls
- Service as witness or challenger for any party or partisan committee
- Participation in political caucuses of a partisan nature
- Participation in a political action committee which supports partisan activity

FAIR EMPLOYMENT POLICY

Wood County is an Equal Opportunity Employer and shall comply with federal and state equal employment opportunity principles and other related laws.

Wood County will not discriminate against applicants or employees on the basis of race, color, religion, sex, pregnancy, age, sexual orientation, national origin, ancestry, disability, veteran status, military status, genetic information, or other unlawful reason except when such a factor constitutes a bona fide occupational qualification.

Terms/Conditions of Employment

Performance Evaluations

Classification

Disciplinary Actions/Discharge

Layoffs/Returns from Layoff

Unlawful Discrimination

Employment Action

- Individual subject is treated less favorable in their employment because of their membership in a protected class (see Fair Employment Policy)

Hostile Work Environment

- Individual is subject of unwelcome conduct based upon membership in a protected class such that
 - Enduring the offensive conduct becomes a condition of continued employment; or
 - The conduct is severe and pervasive enough to create a work environment that a reasonable person would consider intimidating, hostile, or abusive.

Sexual Harassment

- Type of sex discrimination and is defined as “unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment....”
 - Quid Pro Quo / Hostile Work Environment

Unlawful Discrimination: Employee Responsibilities

Employees shall not initiate, engage in alone, or with others, or encourage another to discriminate against another employee or individual doing business with or receiving services from Wood County due to their membership in a protected class.

- Including quid pro quo sexual harassment or creating a hostile work environment

Employees shall report acts of discrimination and sexual harassment immediately in writing to their Supervisor or to the next level Supervisor if the offender is the Supervisor. Initial notification may be verbal, but must be followed up in writing within three days.

Employees shall not make false complaints of discrimination or sexual harassment. (Failure to prove unlawful discrimination or harassment does not by itself constitute a “false complaint”).

Reasonable Accommodations under ADA/ADAAA

Wood County will provide reasonable accommodation to a qualified applicant or employee with a disability. Decisions as to whether an accommodation is necessary and/or reasonable shall be made on a case by case basis.

An employee who wishes to request an accommodation shall direct such request to the Appointing Authority to investigate and take appropriate action.

The employer and employee will meet in an “interactive process” to discuss whether an accommodation is appropriate and, if applicable, the type of accommodation to be given.

Documentation may be required regarding the disability and its functional limitations.

Citizen complaints of discrimination on the basis of disability in public services, programs, or employment may be directed to the County Administrator.

Drug Free Workplace

Employees shall not manufacture, sell, or otherwise distribute, dispense, possess, or use alcohol or controlled substances on County property or while acting in any official capacity as a Wood County employee.

Employees shall not report to work under the influence of alcohol or controlled substances.

While at work or on County property, employees shall not use prescribed controlled substances other than as directed by a physician.

- Employees must advise their Supervisor of any prescription or non-prescription medications which may impair judgment, coordination, or any other sensory ability necessary to perform job duties.
- Written medical documentation must be submitted for prescription medications.
- Reasonable accommodations will be made when possible for any employee on medications.

Voluntary Drug Dependency Counseling and Treatment is available through the Employee Assistance Program and Employee Health Benefits Plan.

Employees must provide written notification within two business days of any criminal drug statute charge and/or conviction.

Classified Employees & Discipline

Poor job performance or inappropriate behavior and lead to disciplinary action including:

- Incompetency
- Inefficiency
- Dishonesty
- Drunkenness
- Immoral conduct
- Insubordination
- Neglect of duty
- Discourteous treatment of the public
- Violation of any policy or work rule of the appointing authority
- Violation of Chapter 124 of the Ohio Revised Code
- Any other failure of good behavior
- Acts of misfeasance, malfeasance, nonfeasance in the office
- Conviction of a felony

Counseling/Corrective Action

If necessary, corrective action may be used to develop a plan of action to improve performance or behavior.

Discipline is used to correct an employee's performance and/or conduct and is only initiated after other methods of correcting the employee's performance have been tried and have failed to result in improved performance.

Investigations

Wood County has the right to investigate all alleged disciplinary violations.

Employees who are the subject of a formal investigation have the right to be accompanied, represented, and advised by an attorney.

Failure to respond, to respond truthfully, or to otherwise cooperate in an investigation, shall be considered insubordination and may result in termination.

Disciplinary Procedures

Pre-Disciplinary Hearing

- Classified employees are entitled to a pre-disciplinary hearing before any suspension, discharge, execution of a last chance agreement, reduction in pay or position, or fine becomes effective.
- Employee or his/her chosen representative may respond to the charges.
- Appointing Authority will review the independent pre-disciplinary decision before deciding upon appropriate disciplinary action.

Types of Disciplinary Action

- Verbal Warning
- Written Reprimand
- Suspension/Reduction in Pay or Position/Fine
- Discharge/Termination

Unclassified Employees

- Inappropriate activities such as employee misconduct or non-compliance with policy and procedure may lead to disciplinary action against the employee.
- The Appointing Authority has the discretion to impose sanctions immediately ranging from verbal warnings to immediate discharge without due process.
- The use of due process does not alter the status of an unclassified employee.

Pay Practices

PROVIDED BY THE WOOD COUNTY AUDITOR'S OFFICE

Hours of Work

The Department Head/Supervisor assigns work schedules and may alter schedules based on the operational needs of the office. Overtime may be required.

Consistent and reliable attendance is an essential function of every position. Employees shall report to work on time and begin work promptly.

Employees shall not sign-in or begin work before their scheduled start time, and shall not sign-out or stop work after their scheduled quit time, except with supervisory approval or in emergency situations.

If your work hours are in excess of your regularly scheduled work hours for the week, the supervisor shall...

Reduce hours in same week –
Come in late or leave early
another day during the same
week.

Reduce vacation or comp hours
used from the same work week
– Saves your vacation for
another time.

If no adjustments possible,
employee shall receive his/her
regular rate or paid time off.

Fair Labor Standards Act (FLSA)

Federal law which requires that most employees be paid at least minimum wage for all hours worked and overtime pay at time and one-half the regular rate of pay for all hours worked over 40 hours in a workweek. FLSA also permits local governments to provide compensatory time off instead of cash overtime pay.

All employees must document their work hours with start and end times for purposes of public accountability.

Recording of hours for exempt employees does not alter exempt status.

Overtime

NON EXEMPT EMPLOYEES

Paid at least minimum wage for all hours worked, and overtime pay at time and one-half the regular rate for all hours worked over 40 in a workweek.

What counts for the calculation of overtime?

All hours worked.

Excludes vacation leave, sick leave, paid lunch periods, compensatory time used, personal leave, holidays, paid time-off for building closings, etc. (May vary by Elected Official and bargaining unit contract.)

Employees may not work overtime without prior approval. While payment of overtime will be made, failure to obtain prior approval may result in disciplinary action.

EXEMPT EMPLOYEES

Exemption from both minimum wage and overtime pay for certain classification of employees (Executive, Administrative, Professional, etc.).

Not eligible for additional paid compensation.

Compensatory Time

NON EXEMPT EMPLOYEES

Compensatory time is paid time off work earned for hours worked in excess of 40 hours during a work week. Computed on the same basis as overtime.

Employees must complete a Request for Leave form and obtain prior approval before using comp time.

Must use comp time earned by the date listed on the employee's Attendance Record or within the timeframe communicated by the Appointing Authority.

EXEMPT EMPLOYEES

Administrative and Professional exemptions receive one hour of comp time for each hour worked in excess of 40 hours during a workweek.

Limited to 120 hours.

Not eligible for a payout of comp time earned, including at separation.

Executive exemptions are not eligible to earn comp time.

Payroll

Pay periods begin on Sunday and end the Saturday of the following week.

Payment for hours worked during a pay period is made bi-weekly on the second Friday following the completion of the pay period.

Payroll officers report payroll information to the Auditor's Office for processing.

Time Worked
(2 week pay period)
Sunday, July 27 to
Saturday, August 9

Payroll is reported
to Auditor's Office
Monday, August 11

Pay checks are
issued to employees
Friday, August 22

Payroll

An employee's first payment is always a check.

The second payment is generally made through direct deposit. Wood County cannot split a deposit between bank accounts. That would be between the employee and the bank.

Depending on the department, direct deposit notification may be provided as an email or printed copy.

Check stubs report withholdings and balances. Be sure to review check stubs to ensure accurate information is reported.

- Deductions & Taxes
- Vacation & Sick Leave Balances
- Name matches Social Security Card

Contact your payroll officer if there is a discrepancy.

Reporting Changes

Employees must notify their Supervisor and/or payroll officer of any changes in their personal information within seven days.

- Name
- Address
- Telephone Number
- Emergency Contact
- Marital Status
- Beneficiary Designations
- Addition or Deletion of Dependents for Tax Purposes
- Change in School District Tax, etc.

Employees must submit appropriate forms to report changes. Be sure to update both payroll and insurance forms.

Reporting Changes

Changes to bank account information must be reported to your payroll officer by 10 a.m. on Thursday a full week before the pay date.

In case of a holiday, changes need to be submitted by 10 a.m. on Wednesday a full week before the pay date.

When bank accounts changes are made, the first payment on the new account may be paid by check.

Payroll Deductions

MANDATORY

Federal Withholding

State Withholding

Ohio Public Employees Retirement System

10% x gross (13% x gross for Law Enforcement)

Bowling Green City Tax - 2%

(withheld if you work or live in BG = gross wages less Section 125 plans)

School District Tax

(based on residency)

Medicare Tax - .0145%

(gross less Section 125 plans)

VOLUNTARY

Deferred Compensation

- County Commissioners Association of Ohio
Deferred Compensation Plan
1.800.284.0444 ext. 665
- Ohio Public Employees Deferred Compensation
1.877.644.6457 ext. 23704

IRS Section 457 voluntary programs in which income is tax deferred.

Deferred income is taxable at the time of distribution.

AFLAC

Supplemental insurance

Payroll Deduction Codes

A listing of payroll deduction codes is available on the employee website under the forms section. It can be found under payroll.

Commonly used codes include:

REG – Regular Hours

VAC – Vacation

SICK – Sick Leave

FBEN – Fringe Benefits

PRSC – OPERS County

MEDI – Medicare

FWTM – Federal Withholding Tax Married

FWTS – Federal Withholding Tax Single

BG – Bowling Green City Tax

HP – Health, pre-tax

RXP – Prescription, pre-tax

VP – Vision, pre-tax

DP – Dental, pre-tax

8701 – Bowling Green City School Tax

(Other four digit number listed indicates school district tax)

Taxable Fringe Benefits

Wood County must report taxable fringe benefits provided to employees for IRS tax purposes.

Employees must sign a quarterly taxable fringe benefit report to document fringe benefits received including:

- Uniforms and cleaning of uniforms
- Wellness reimbursements
- Meals – if not part of an overnight stay
- Certain mileage reimbursements
- Personal use of a county vehicle

Taxes are calculated on the value of benefits received and are processed on a quarterly basis.

Personal Budgeting Bridging the Gap to Retirement

Webinars available www.opers.org

Your Personal Budget

Creating a personal budget allows you to plan for how you will spend and save your money each month and keep track of your spending patterns. Though making a budget may sound like an intimidating task, it's vital to keeping your financial house in order.

The Golden Rule of Personal Finance: Pay Yourself First

Paying yourself first involves:

- Build a retirement account
- Create an emergency fund
- Save for short and long-term goals

The advantage of "paying yourself first" out of your paycheck is that you build up accounts to secure your future and create a cushion for financial emergencies.

Know Where Your Money is Going

A personal budget can help you identify where your money is coming from, how much you have and where you're spending your money each month.

- Identify and record your total monthly household income
- Document your monthly expenses
- Total your monthly expenses

Know If Your Expenses Exceed Your Income and Make Adjustments

What is a Retirement Income Gap?

Difference between the income you'll **receive** and the income you'll **need** during retirement

Closing Your Retirement Gap

- IRA (Traditional/Roth)
- 401(k)
- 403(b)
- 457(b)
 - Ohio Deferred Compensation
 - County Commissioners Plan

Social Security

**Social Security benefits may be reduced
if you receive a pension from a federal,
state, or local government.**

This includes OPERS.

Summary

Know your estimated pension income
from OPERS and from other retirement
savings accounts so you can identify
your **retirement income gap**

Periodically, review your retirement estimates and
conduct a retirement income gap analysis.

1

ABOUT YOUR PLAN

- Plan Philosophy: Pay Now or Pay Later
 - Invest in Employees
- Employer Sponsored Health Plan, Preferred Provider Organization (PPO), Self-Insured, Non-Federal Governmental, Non-ERISA,
- Trustees believe that this Plan is a “grandfathered” health plan within the meaning of section 1251 of the Affordable Care Act (ACA)
 - Plan provides minimum essential coverage; and
 - Meets the minimum value standard for the benefits it provides

2

Foundation of the Plan

3

Funding Your Plan

4

DETERMINING EMPLOYEE ELIGIBILITY FOR THE PLAN

Full Time (ACA) is defined as 30 Hours of Service or more per week, non-seasonal

Based on Hours of Service
Hours worked + Paid leave

If eligible, coverage is offered upon completion of 30 day waiting period and is effective first day of the next month

Must complete all forms and wellness screening during waiting period.

5

Full Time: Monthly Measurement Method

- Used for New Hires with 30 or more Hours of Service hours per week (non-seasonal)
- Hours measured each month to determine on-going eligibility
 - Eligibility may change monthly based on hours of service
- Transition to Look-Back Method following completion of full Standard Measurement Period
 - Oct. 11, 2020 to Oct. 9, 2021 measures for calendar year 2022 eligibility
 - May take up to 24 months for transition

Looks at employee's hours each month until placed in a Standard Stability Period.

6

Part Time, Seasonal or Variable Hour: Look Back

- Offer of coverage is delayed utilizing Initial Look-Back Method to determine benefit eligibility
 - Measures hours during first full 26 consecutive pay periods
- Notification will be sent if determined benefit eligible
- Employees may participate in monthly wellness challenges

7

Ongoing Eligibility: Standard Look-Back Method

- ALL employees hours are measured each year
 - Standard Look-back Method (Oct-Oct)
 - Coverage offered for next calendar year

8

Eligibility Certification Process

- **Spousal Certification Required for Primary Coverage**
 - Applies to Health, Prescription, Vision & Dental coverage
 - 2021 Plan Year will use tax forms filed in 2020 (2019 earnings)
- **Dependent Certification Required annually for Dependents Ages 20 to 22**
 - Applies to Vision and Dental coverage
- **Recertify annually: August 15 to September 15**
 - Applies to next calendar year or Plan Year provided no change in eligibility

9

9

Eligibility

- **Understand Your Plan's Rules!**
- **Report Other Insurance Coverage**
 - **Coordination of Benefits**
 - Contract Holder is Primary on their coverage, secondary on other coverage
 - Children use birthday rule if dual coverage
 - High Deductible with HSA (possible limitations – contact your tax advisor)
- **Qualifying Events offering Special Enrollment**
 - Report within 30 days of event

10

Wood County is committed to wellness!
Screenings have been offered to employees since 1993.

START HERE!

- Required for all new employees even if waiving benefits
- Required for spouses enrolling in coverage as primary or secondary
- Lower cost option to get data for physical
- Free, confidential
- Review recommended screenings based on age and health status
- Required during Enrollment Period

11

What is your current health status?

Excellent

I expect ____ years in good or better health.

Average

I expect ____ years free of limitation of activity.

Poor

I expect ____ years free of chronic disease.

12

Where do you see your health status in five to 10 years?

13

Tips to maintaining your current health status from the American Heart Association: Life's simple 7

Stop Smoking

Cigarette smokers have a higher risk of developing cardiovascular disease. If you smoke, quitting is the best thing you can do for your health.

Eat Better

A healthy diet is one of your best weapons for fighting cardiovascular disease. When you eat a heart-healthy diet, you improve your chances for feeling good and staying healthy – for life!

Get Active

Living an active life is one of the most rewarding gifts you can give yourself and those you love. Simply put, daily physical activity increases your length and quality of life.

Lose Weight

When you shed extra fat and unnecessary pounds, you reduce the burden on your heart, lungs, blood vessels and skeleton. You give yourself the gift of active living, you lower your blood pressure and you help yourself feel better, too.

Manage Blood Pressure

High blood pressure is a major risk factor for heart disease and stroke. When your blood pressure stays within healthy ranges, you reduce the strain on your heart, arteries, and kidneys which keeps you healthier longer.

Control Cholesterol

High cholesterol contributes to plaque, which can clog arteries and lead to heart disease and stroke. When you control your cholesterol, you are giving your arteries their best chance to remain clear of blockages.

Reduce Blood Sugar

Most of the food we eat is turned into glucose (or blood sugar) that our bodies use for energy. Over time, high levels of blood sugar can damage your heart, kidneys, eyes and nerves.

14

Earn a \$25 deductible credit each Quarter: Up to \$100 in the Year

Complete a screening during the year and participate in quarterly wellness events and challenges.

Complete a Wellness Awareness Screening

- Health Risk Assessment
- Blood Pressure
- Coronary Risk (cholesterol with LDL, HDL, Triglyceride)
- Blood Sugar (A1C)
- Occult Blood Screening
- Bone Density & Sun Damage

Winter Wellness
(Jan. – March)

- Save Your Moola
- Stay Hydrated

Spring Shape-Up
(April – June)

- Eat Clean
- Stand Up for Heart Health

Summer Stretch
(July – Sept.)

- Stretch & Flex
- Make or Break a Habit

Fall Into Fitness
(October – December)

- Unplug & Unwind
- Make Your Plate Colorful

Six Week Wellness Challenge Options (complete one each quarter)

- Save Your Moola
- Stay Hydrated
- Eat Clean
- Stand Up for Heart Health
- Stretch & Flex
- Make or Break a Habit
- Unplug & Unwind
- Make Your Plate Colorful

Wellness Events (attend one each quarter)

- Eligible events will be announced prior to each quarter. Due to the current pandemic, in person events may be limited.
- KEPRO On-Line Seminars
- Deferred Compensation Webinars
- OSU Extension programs

15

15

Items to Note for Reimbursement Programs

- Plan will reimburse for gym memberships, fitness classes and other programs listed in the Summary Plan Description
- Plan will not reimburse for:
 - Food/Beverages
 - Child Care Services
 - Sports programs unless part of a regular facility membership
 - Supplies
 - Tanning and other ancillary services
- Detailed receipts are required
 - Contracts may be requested if receipts do not provide adequate information for auditing purposes
- Deadlines for Forms

16

Some things can't be prevented

NEXT STEPS IF YOU NEED CARE

17

Health Benefits

- ER visit for non-emergency may not be covered by the Plan
- Falcon Health bills at the doctor office rate, which is lower than an urgent care facility 
- Have a primary care physician
 - Community Health Center is taking new patients
 - Offers Sliding Fee Schedule even for those with insurance coverage
 - Provides access to the Prescription Savings Program

Choose Quality Network Providers

www.frontpathcoalition.com

You wouldn't trust just anyone to watch your kids or remodel your house. Would you?

Doesn't your health deserve the same considerations?

The screenshot shows the FrontPath Health Coalition website. The header includes the logo and navigation links: Home, Our Solutions, Cost/Quality Compare, Provider Directory, and Contact Us. Below the header, the page title is "COST AND QUALITY PORTAL" with a "Logout" button. The main content area explains the portal's purpose: "Use our member only portal to compare quality and cost in the FrontPath network." It lists three bullet points:

- Compare the QUALITY of inpatient care provided by hospitals in the FrontPath network. Quality is based off indicators such as complication rates, readmission rates, and mortality.
- Compare the COST of inpatient and outpatient procedures performed in the FrontPath network. If different places charge different amounts for the same service, you deserve to know who is the most cost effective.
- If data is missing for a provider, that means there is not sufficient data to provide an accurate rating.

 Below this, a question asks "What type of report would you like to view?" with three buttons: "Quality", "Cost", and "Patient Satisfaction".

21

Comparison CareChex® Overview: A innovative medical quality rating system designed to assist providers and purchasers in evaluating the quality of inpatient care.

The screenshot shows the FrontPath National Scorecard - Composite Condition and Procedure Ratings. The table lists 10 hospitals and their performance across 10 different medical conditions/procedures. The legend indicates that blue checkmarks represent different percentile ranges: blue checkmark for >=90th percentile, green checkmark for 75th-90th percentile, yellow checkmark for 25th-74th percentile, and red checkmark for 11th-25th percentile. A red checkmark also indicates 'No Data/Not Eligible'. The footer notes: "2018 National Quality Rating Database: FFY 2013 - FFY 2015. Analysis data updated: 2018-09-05 08:12:35. The Delta Group, Inc."

Dental Benefits Third Party Administrator: Delta Dental

- Delta Dental Premier or Preferred Network
- \$100 Annual Deductible / \$1,500 Annual Maximum per person
- **Class I:** Covered annually at 100% of the Usual, Customary and Reasonable (UCR) fee.
Not subject to the deductible:
2 cleanings, 2 fluoride treatments, 1 set of bitewing radiographs, Sealants for children under 14 (limited)
- **Class II:** Covered annually at 80% of the UCR fee after the deductible has been met:
Radiographs (Full mouth x-rays every five years), Oral Surgery, Minor Restorative Services, Periodontics, Endodontics
- **Class III:** Covered at 50% of the UCR fee after the deductible has been met:
Prosthodontics, Major Restorative Services, Orthodontics (\$1,500 per child-per lifetime, to the end of the year in which they turn 19 - not subject to deductible)
- **Useful Tip:**
 - Can use two cleanings anytime during the year
 - Predetermination of benefits recommended for services over \$200

26

Vision Benefits

- Reimbursement Program
- Provides up to \$200 every 2 years
 - Current Coverage period ends on 12/31/21
- Submit claims within 90 days of end of calendar year
- Detailed receipts and invoices are required
 - Wal-Mart register receipt alone does not provide required information
- No coordination of benefits

Life Insurance Benefit

- Term Insurance
 - \$20,000 Policy
- Benefits Terminate at Separation of Employment
 - Conversion Opportunities
- Accelerated Death Benefit
- Waiver of Premium
- Life Certificate Available on Employee Website

Employee Health Benefits Plan

Wood County is committed to maintaining a quality, affordable health care plan for its employees, although it is not a statutorily-mandated benefit.

The Commissioners are the trustees of the Health Benefits Plan. They believe this governmental, self-insured, non-ERISA Plan is a "grandfathered health plan" under the Federal Health Care Reform: Patient Protection and Affordable Health Care Act. As permitted by this Act, a grandfathered health plan can preserve basic health coverage that was already in effect when the law was enacted. Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered status can be directed to the Commissioners' Office at 419.354.9100. You may also contact the U.S. Department of Health and Human Services at www.hhs.gov.

Members of the Employees Health Benefits Committee take their role of preserving the long-term viability of employee benefits very seriously. Their task is difficult when weighing employee satisfaction and preservation of benefits.

COVID-19 UPDATE

Coverage for COVID-19 testing is hereby extended with no cost sharing features, i.e., co-payments, deductibles, co-insurance, etc., from January 21, 2021, through April 20, 2021 or until the U.S. Department of Health & Human Services Coronavirus Disease 2019 (COVID-19) pandemic public emergency declaration under Section 319 of the Public Health Services Act expires, whichever is later.

Coverage for COVID-19 vaccines at no cost sharing to members is available through the medical or prescription drug benefit through June 30, 2021. After this date, copayments, deductibles, co-insurance, etc. will apply.

Coverage for non-COVID related Telehealth/Virtual visits have been extended through March 31, 2021. Any previously denied eligible claims can be resubmitted for processing. Similar to an in-person office visit, Telehealth/Virtual visits will experience all cost sharing features including: copayments, deductible and coinsurance.

Prescription refills may still be requested by your pharmacy to your physician.

Don't forget that the Plan offers free EAP services through KEPRO. Up to five FREE confidential visits are available by calling 1-800-607-1522.

Public Service Loan Forgiveness Program

What is the Public Service Loan Forgiveness (PSLF) Program?

The PSLF Program is intended to encourage individuals to enter and continue to work full-time in public service jobs. Under this program, you may qualify for forgiveness of the remaining balance due on your William D. Ford Federal Direct Loan (Direct Loan) Program loans after you have made 120 qualifying payments on those loans while employed full-time by certain public service employers. Since you must make 120 qualifying payments on your eligible federal student loans after Oct.1, 2007, before you can qualify for the loan forgiveness, the first forgiveness of loan balances will not be granted until October 2017.

What federal student loans are eligible for forgiveness under the PSLF Program?

Any nondefaulted Direct Loan is eligible for loan forgiveness. (See below for information on how non-Direct Loans may become eligible.) The Direct Loan Program includes the following loans:

- Direct Subsidized Loans
- Direct Unsubsidized Loans
- Direct PLUS Loans—for parents and graduate or professional students
- Direct Consolidation Loans

NOTE: Parents who received a Direct PLUS Loan may qualify for forgiveness of the PLUS loan, if the parent borrower—not the student on whose behalf the loan was obtained—is employed by a public service organization (*additional conditions apply; see the Q&As below*).

How can other federal student loans become eligible for loan forgiveness under the PSLF Program?

Although loan forgiveness under this program is available only for Direct Loans, loans made under other federal student loan programs may become eligible for PSLF if they are consolidated into a Direct Consolidation Loan. However, only payments made on the Direct Consolidation Loan will count toward the required 120 qualifying payments.

The following loans may be consolidated into a Direct Consolidation Loan:

- Federal Family Education Loan (FFEL) Program loans, which include the following:
 - Subsidized Federal Stafford Loans
 - Unsubsidized Federal Stafford Loans
 - Federal PLUS Loans—for parents and graduate or professional students
 - Federal Consolidation Loans (excluding joint spousal consolidation loans)
- Federal Perkins Loans
- Certain Health Professions and Nursing Loans

NOTE: *To consolidate a Federal Perkins Loan or Health Professions or Nursing Loan into a Direct Consolidation Loan, you also must consolidate at least one FFEL Program loan or Direct Loan. If you are unsure about what kind of loans you have, you can find that information at [StudentAid.gov/login](https://studentaid.gov/login).*

What are the borrower eligibility requirements for loan forgiveness under the PSLF Program?

- You must not be in default on the loans for which you are requesting forgiveness.
- You must be employed full-time by a public service organization
 - when making each of the required 120 qualifying loan payments (*certain repayment conditions apply—see below*);
 - at the time you apply for loan forgiveness; and
 - at the time the remaining balance on your eligible loans is forgiven.

What are the specific loan repayment requirements for loan forgiveness under the PSLF Program?

- You must have made 120 separate monthly payments after Oct. 1, 2007, on the Direct Loans for which you are requesting forgiveness. Payments made before this date do not count toward meeting this requirement. Each of the 120 qualifying payments must be made for the full scheduled installment amount and no later than 15 days after the scheduled payment due date. The 120 required payments do not need to be made consecutively.
- The 120 required payments must be made under one or more of the following Direct Loan Program repayment plans:
 - Revised Pay As You Earn Repayment Plan (REPAYE Plan)
 - Pay As You Earn Repayment Plan (PAYE Plan)
 - Income-Based Repayment Plan (IBR Plan)
 - Income-Contingent Repayment Plan (ICR Plan)
 - 10-year Standard Repayment Plan
 - Any other Direct Loan Program repayment plan; but only payments that are at least equal to the monthly payment amount that would have been required under the 10-year Standard Repayment Plan may be counted toward the required 120 payments

The REPAYE, PAYE, and IBR plans are not available for Direct PLUS Loans made to parents or for Direct Consolidation Loans that repaid Direct or FFEL PLUS Loans made to parents.

The ICR Plan is not available for Direct PLUS Loans made to parents. However, Direct PLUS Loans that repaid Direct or FFEL PLUS Loans made to parents may be repaid under the ICR Plan.

For more information about the repayment plans available in the Direct Loan Program, please visit [StudentAid.gov/repay](https://studentaid.gov/repay).

IMPORTANT NOTE: *The PSLF Program provides for forgiveness of the remaining balance of your eligible loans after you have made 120 qualifying payments on those loans. In general, you will have a remaining balance on a loan after making 120 payments only if you are making reduced monthly payments under the REPAYE, PAYE, IBR, or ICR repayment plans.*

What types of public service jobs will qualify a borrower for loan forgiveness under the PSLF Program?

You must be employed full-time (in any position) by a public service organization, or must be serving in a full-time AmeriCorps or Peace Corps position. Here are the types of organizations that meet the definition of “public service organization” for purposes of the PSLF Program:

- A government organization (including a federal, state, local, or tribal organization, agency, or entity; a public child or family service agency; or a tribal college or university)
- A not-for-profit, tax-exempt organization under section 501(c)(3) of the Internal Revenue Code
- A private, not-for-profit organization (that is not a labor union or a partisan political organization) that provides one or more of the following public services:
 - Emergency management
 - Military service
 - Public safety
 - Law enforcement
 - Public interest law services
 - Early childhood education (including licensed or regulated health care, Head Start, and state-funded prekindergarten)
 - Public service for individuals with disabilities and the elderly
 - Public health (including nurses, nurse practitioners, nurses in a clinical setting, and full-time professionals engaged in health care practitioner occupations and health care support occupations)
 - Public education
 - Public library services
 - School library or other school-based services

What is full-time employment?

You must meet your employer's definition of full-time. However, for PSLF purposes, that definition must be at least an annual average of 30 hours per week. For purposes of the full-time requirement, your qualifying employment at a not-for-profit organization does not include time spent participating in religious instruction, worship services, or any form of proselytizing.

If you are a teacher or other public service organization employee who works under contract for at least eight out of 12 months, you meet the full-time standard if you work an average of at least 30 hours per week during the contractual period and receive credit by your employer for a full year's worth of employment.

If you are employed in more than one qualifying part-time job at the same time, you may meet the full-time employment requirement if you work a combined average of at least 30 hours per week with your employers.

How can I keep track of my eligibility?

The Department of Education has created the **Employment Certification for Public Service Loan Forgiveness** form (Employment Certification form) and a process to help you monitor your progress toward making the 120 qualifying payments necessary to apply for PSLF. You should complete the form, including your employer's certification of employment, and submit it to FedLoan Servicing (PHEAA), the PSLF servicer, at the address listed in Section 6 of the Employment Certification form.

The form allows you to get your employer's certification of employment while you are still employed at that organization or shortly after leaving. The process allows you to receive confirmation of qualifying employment and Direct Loan payment eligibility. You may also submit the form less frequently than annually to cover more than one year's employment or for more than one employer.

While use of the form and process is not required, it will help you keep track of your progress toward meeting the PSLF eligibility requirements. If you do not periodically submit the form, you will still be required to submit a form for each qualifying employer at the time you apply for forgiveness and when forgiveness is granted.

Where can I find additional information about the PSLF Program?

For detailed information—including how to monitor your progress toward qualifying for PSLF—read the PSLF Questions and Answers document at [StudentAid.gov/publicservice](https://studentaid.gov/publicservice) or contact your federal loan servicer.

This information was updated in the fall of 2015. For updates or additional information on federal student aid, visit [StudentAid.gov](https://studentaid.gov).

December 2015

Types of Leave and Retirement

Sick Leave

All County employees (full time, part time, and intermittent) earn sick leave at the rate of 4.6 hours for each 80 hours worked or .0575 per hour. When calculating sick leave accrual, "completed service" is defined as "hours actually worked (including paid overtime), and hours of sick leave, vacation leave, compensatory time, holidays, personal leave used, or other paid time off. Sick leave is not earned during periods of unpaid leave of absence or layoff.

Use of sick leave requires approval on Request for Leave form. To justify the use of sick leave, employees must provide the specific nature of the illness/injury, the name and relationship to the employee of the injured or ill person, and the length of leave requested. (Medical information is confidential) Immediate leave requests require a completed Request for Leave form on the first day back from leave. Sick leave for doctor appointments is limited to reasonable amount of time to cover appointment and necessary travel time.

Upon retirement from active service with Wood County, employees with 10 or more years of service with the State or any of its political subdivisions, may elect to receive cash payment for their accumulated unused sick leave under the payment schedule outlined in the Ohio Revised Code or the Wood County method. The State statute allows employees with a minimum of 10 years of OPERS service to receive 25% of the accumulated sick leave, not to exceed 30 days or 240 hours upon a OPERS retirement. The Wood County Method takes into account Wood County service time for determining the years of service for payment of sick leave accrual. Under this method sick leave shall be paid as follows:

<u>Wood County Service</u>	<u>Percentage</u>	<u>Maximum Hours</u>
10	25	240
15	30	288
20	35	336
25	40	384
30	50	480

Under either method, sick leave payment is based on the employee's rate of pay at the time of retirement. Payment eliminates all sick leave credit accrued by the employee at that time and is made only once to any employee.

Family Medical Leave Act

Employees who have been employed by Wood County for at least 12 months or 52 weeks and worked for at least 1,250 hours during the preceding 12-month period, are eligible for family and medical leave. Paid vacation, personal or sick leave, holidays, unpaid leave and period of layoffs are not counted for purposes of the 1,250 hours test.

Guarantees return to the same or similar position, same benefits or conditions of employment prior to leave.

Reasons for taking leave include: Incapacity due to pregnancy, prenatal care or child birth; Care for child after birth/placement for adoption or foster care; Care of Family Member with serious health condition; Serious health condition of employee; Military Qualifying Exigency; or Military Caregiver Leave (up to 26 weeks total).

Family Member is defined as the employee's spouse, son, daughter, parent, person in place of parent.

A Serious Health Condition is defined as an illness, injury, impairment, or physical or mental condition that involves either an overnight hospital stay or continuing treatment by a health care provider.

Employees are limited to a maximum combination of 12 weeks paid and unpaid FMLA leave, paid leave is to be used first. During an FMLA leave health insurance benefits are covered, however, if on an unpaid FMLA leave employees must self-pay their payroll deduction amount.

Other Types of Leave

Court Leave with pay is available for employees called for jury duty or subpoenaed to appear before any court if they are not a party to the action. If time warrants, employees shall return to work upon completion of such duty each day. Any compensation shall be remitted. When an employee is a party to the court matter they may request vacation time, compensatory time, personal day, or leave of absence without pay. Such instances include, but are not limited to, criminal or civil cases, traffic court, domestic relations proceedings, custody, or appearing as a parent or guardian of juveniles. Employees are required to obtain prior approval from their Supervisor or Department Head.

Military Leave is available to employees for voluntary or involuntary active military duty. Refer to the Military Leave Policy and/or the Ohio Military Family Leave Act for additional information on compensation and benefits during a military leave.

Vacation

All full-time employees are entitled to vacation leave, with pay, after the completion of one full year of service with the county or any other political subdivision of the state. One year equals 26 bi-weekly pay periods. Vacation is based on length of service as follows:

<u>Years of Service</u>	<u>Annual Accrual</u>	<u>Accrual Per Pay/Hour</u>	<u>Maximum</u>
Less than one year	(1-26 pay periods)	No vacation	
After one year	(27-208 pay periods)	80 hours (2 weeks)	3.1 or .0388 160
After 8 years	(209-390 pay periods)	120 hours (3 weeks)	4.6 or .0575 240
After 15 years	(391-650 pay periods)	160 hours (4 weeks)	6.2 or .0775 320
After 25 years	(651+ pay periods)	200 hours (5 weeks)	7.7 or .09625 400

Employees must complete a "Request for Leave" form when requesting to use vacation time. Such request must have prior approval from the immediate supervisor.

Employees are entitled to compensation for accumulated but unused vacation leave only at the time of separation of service. Employees who leave employment prior to the completion of their first year are not entitled to receive compensation for accrued vacation hours, but may receive credit if employed by another political subdivision of the State.

Holidays

Ohio law provides full-time County employees with eight hours of "holiday pay". Holidays falling on Sunday will be observed on the following Monday, holidays falling on Saturday will be observed on the preceding Friday.

New Year's Day	January 1	Labor Day	First Mon. in September.
Martin Luther King Day	Third Mon. in January	Columbus Day	Second Mon. in October
Presidents' Day	Third Mon. in February	Veterans Day	November 11
Memorial Day	Last Mon. in May	Thanksgiving Day	Fourth Thurs. in Nov
Independence Day	July 4	Christmas Day	December 25

Prior Service

Employees shall provide written documentation of any prior service credit in the public sector within 30 days of employment. This includes time with the State of Ohio, a city, township, county, State University, etc. Documentation shall include dates of service, status of service (e.g. full-time or part-time), if employee was eligible for vacation, and any remaining sick leave balance (within the last 10 years). Affected balances will be adjusted by the Appointing Authority upon receipt of written documentation. Employees who received a sick leave payment upon retirement shall not receive credit for any previous balance.

Ohio Public Employees Retirement System (OPERS)

All County employees are required to become members of the OPERS. OPERS substitutes Social Security for public employees of Ohio. Service time does not count in Social Security. OPERS is funded through the employer contributing 14% of gross earnings and the employee contributing 10% of gross earnings. Employee contributions are made through payroll deduction. The law enforcement division pays 12.1%; the employer contributes 18.1%.

As a member of Ohio PERS, you have 180 days after employment begins to select one of the three retirement plans: the Traditional Pension Plan, the Member-Directed Plan or the Combined Plan. To help you decide which OPERS retirement plan is best for your career and retirement goals, you can view the How to Select Your OPERS Retirement Plan (An Overview) on the OPERS website. All members receive an enrollment packet directly from OPERS. Under the Traditional Pension Plan, employees are eligible to retire at age 67 with 5 years of service credit, at age 57 with at least 25 years of service credit, or at any age with 32 years of service credit. An employee who becomes permanently disabled with at least five years of service credit may be eligible for a disability retirement. Health insurance benefits become available to qualified retirees at age 60 with a minimum of 20 years of service credit and those retiring with 30 or more years of service. Employees receiving a disability benefit will have coverage during the first five years of disability benefits. After five years, the recipient must meet minimum age and service requirements to be enrolled in Medicare due to disability to remain enrolled in the OPERS plan.

An employee who leaves public service prior to retirement may request a refund of funds paid into the system. The employee may also leave the funds in the system and draw a monthly benefit when he/she reaches retirement age.

Additional retirement information can be obtained by visiting their web site at www.opers.org; or calling toll free 1-800-222-PERS.

Things to Consider When Selecting Your OPERS Retirement Plan

Learn more at www.opers.org

Know which plan is best for you. Here are a few questions to answer:

- What stage are you at in your career?
- Have you ever contributed to another Ohio retirement system?
(Social Security does not apply)
- Do you work seasonally or intermittently?
- Do you plan to work in an OPERS-covered law enforcement or public safety position?

Comparing the plans: OPERS Retirement Plans

Traditional Pension Plan

- **Lowest Risk**
- **Guaranteed Benefit**

The Traditional Pension Plan is a defined benefit plan.

OPERS manages the investment of both your member and employer contributions.

Your retirement income is based on a formula that includes your years of service credit and your final average salary.

Combined Plan

- **Moderate Risk**
- **Hybrid Plan**

The Combined Plan has both defined benefit and defined contribution components.

You direct the investment of your member contributions, while OPERS invests your employer contributions.

Your retirement income is made up of your defined benefit, based on a reduced formula, and your defined contribution benefit, based on your individual account value.

Member-Directed Plan

- **High Risk**
- **Investment Options**

The Member-Directed Plan is a defined contribution account.

You decide how your member and employer contributions are invested.

Your retirement income is based on your individual account value.

Our purpose
is to provide
secure retirement
benefits for our
members.

Retirement Plans

Retirement benefits are based on contributions to one or more of the following retirement plans:

The Traditional Pension Plan is a defined benefit plan under which a member's retirement benefit is calculated on a formula based on years of service, final average salary, and a percentage. Members who retire through the Traditional Pension Plan receive a monthly age and service benefit.

The Member-Directed Plan is a defined contribution plan under which employee and a portion of the employer contributions are deposited into a member's individual defined contribution account and invested as directed by the member.

The Combined Plan is made up of two components. OPERS manages employer contributions used to fund the defined benefit portion at retirement. The retirement benefit for the defined benefit component is determined

by a formula based on years of service, final average salary, and a percentage. The member chooses the investment options for employee contributions in the defined contribution portion. The retirement benefit for this portion is based on the employee contributions and the gains and losses on those contributions.

Members who retire through the Member-Directed and/or the Combined Plan may choose one of three distribution methods for their defined contributions:

- Annuitize 100 percent of their account. Members will have their entire balance used in order to receive a monthly benefit from OPERS.
- Annuitize a partial amount and have the remaining account balance rolled over to another company or sent to them directly with taxes withheld.
- Elect to have their entire account balance rolled over to another company or sent to them directly with taxes withheld.

CCAO Plan Highlights

County Commissioners Association of Ohio 457 Deferred Compensation Plan

Making your dreams a reality.

The County Commissioners Association of Ohio (CCAO) Deferred Compensation Plan is a powerful tool to help you reach your retirement dreams. As a supplement to other retirement benefits or savings that you may have, this voluntary Plan allows you to save and invest extra money for retirement—tax deferred!

Not only will you defer taxes immediately, but you may also build extra savings consistently and automatically, select from a variety of investment options, and learn more about saving and investing for your financial future.

Read these highlights to learn more about your Plan and how simple it is to enroll. If there are any discrepancies between this document and the CCAO Plan Document, the Plan Document will govern.

Getting Started

What is a 457 deferred compensation plan?

A 457 plan¹ is a retirement savings plan that allows eligible employees to supplement any existing retirement and pension benefits by saving and investing before-tax dollars through a voluntary salary contribution. Contributions and any earnings on contributions are tax deferred until money is withdrawn. Distributions are usually taken after retirement, when many participants are typically receiving less income and may be in a lower income tax bracket than while working. Distributions are subject to ordinary income tax.

Why should I participate in the Plan?

You may want to participate if you are interested in saving and investing additional money for retirement and/or reducing the amount of current state and federal income tax you pay each year. Your CCAO 457 Deferred Compensation Plan can be an excellent tool to help you reach your retirement dreams.

You may also qualify for a federal income tax credit by participating in this Plan. For more information about this tax credit, please contact your local CCAO Retirement Plan Advisor.

If allowed by your employer, the Roth option gives you the flexibility to designate all or part of your 457(b) elective deferrals as Roth contributions. Check Roth availability with your employer or CCAO Retirement Plan Advisor. All Roth contributions are taxed before the money is contributed to the Plan. Any earnings on Roth contributions grow tax-free, and qualified distributions will also be free of federal (and, where applicable, state and local) income taxes. This can be beneficial if you end up being in a higher tax bracket in retirement.

Is there any reason why I should not participate in the Plan?

Participating may not be advantageous if you are experiencing financial difficulties, have excessive debt, do not have an adequate emergency fund (typically in an easy-to-access account) or expect to be in a higher tax bracket during your retirement.

Who is eligible to enroll?

All current county employees are immediately eligible to participate in the Plan.

How do I enroll?

Complete the appropriate paper enrollment form, indicating the amount you wish to contribute, your investment option selection(s) and your beneficiary designation(s). Please sign the form and return it to your CCAO Retirement Plan Advisor or mail it to Empower Retirement, 8515 E. Orchard Road, Greenwood Village, CO 80111.

What are the contribution limits?

There is a minimum starting contribution amount of \$10 per paycheck to participate in the Plan.

In 2019, the maximum contribution amount is 100% of your compensation, less any mandatory before-tax contributions to a governmental pension plan, or \$19,000, whichever is less. The annual contribution limit may be indexed for inflation in future years. According to IRS regulations, the increases can only take place in \$500 increments and may not occur every year.

If you are age 50 or older during the 2019 calendar year, you may be eligible to contribute an additional \$6,000 to the Plan. This catch-up contribution along with the 2019 limit amounts to a total possible annual contribution of \$25,000 for participants age 50 and older.

If you are within three years of normal retirement age, as defined by your Plan, you may utilize the Special Catch-Up provision. With the Standard Catch-Up, you may be able to contribute up to an additional \$19,000 in 2019. That amounts to a total possible contribution of up to \$38,000 in 2019. This catch-up provision can be utilized in the three consecutive years leading up to but not including the calendar year in which you attain your normal retirement age.

Although you may be eligible for both catch-up options, you may participate in only one option per year. For more information, please contact your CCAO Retirement Plan Advisor.

What are my investment options?

A wide array of core investment options is available through your Plan. Each option is explained in further detail in your Plan's fund data sheets. Investment option information is also available 24 hours a day, seven days a week through the website at www.ccao457.com and the voice response system at **800-284-0444**.

In addition to the core investment options, a self-directed brokerage account (SDBA) is available. The SDBA allows you to select from numerous mutual funds not directly available to you in the Plan's core investment options for additional fees. These securities are not offered through GWFS Equities, Inc. The SDBA is intended for knowledgeable investors who acknowledge and understand the risks associated with the investments contained in the SDBA.

Managing Your Account

How do I keep track of my account?

Empower Retirement will send you a quarterly account statement showing your account balance and activity. You can also check your account balance and move money among investment options on the website at www.ccao457.com or by calling the voice response system at **800-284-0444**.²

Visit the website at www.ccao457.com to set your communication preferences.

If you elect to participate in the SDBA option, you will also receive quarterly statements from your SDBA provider, TD Ameritrade. You'll receive a monthly statement from TD Ameritrade if you have account activity in any given month.

How do I make investment option changes?

Use your username and passcode³ to access the website, or use your Social Security number and Personal Identification Number³ (PIN) to access the voice response system. You can move all or a portion of your existing balances among investment options (subject to Plan rules) and change how your payroll contributions are invested.²

How do I make contribution changes?

You can increase, decrease or stop your contribution at any time by filling out the paycheck contribution election form.² Access the form via your account at www.ccao457.com or call the voice response system at **800-284-0444** to be connected with participant services. Any changes will be effective the month after the transaction is requested.

Rollovers

May I roll over my account from my former employer's plan?

Yes. Approved balances from an eligible governmental 457(b), 401(k), 403(b) or 401(a) plan or IRA may be rolled over to the Plan.⁴ You are encouraged to discuss rolling money from one account to another with your financial advisor/planner, considering any potential fees and/or limitations of investment options.

May I roll over my account if I leave employment with my current employer?

If you sever employment with your current employer, you may roll over your account balance to another eligible governmental 457(b), 401(k), 403(b) or 401(a) plan if your new employer's plan accepts such rollovers. You may also roll over your account balance to an IRA.

Please keep in mind that if you roll over your 457 Plan balance to a 401(k), 403(b) or 401(a) plan or an IRA, distributions taken from these plans before you have reached age 59½ may be subject to the 10% early withdrawal federal tax penalty. Early withdrawal penalties do not apply to distributions from a 457(b) plan. Please contact your CCAO Retirement Plan Advisor for more information.

Vesting

When am I vested in the Plan?

Vesting refers to the percentage of your account you are entitled to receive from the Plan upon the occurrence of a distributable event. Your contributions to the Plan (including rollovers from previous employers) and any earnings they generate are always 100% vested.

Distributions

When can I receive a distribution from my pre-tax account?

Qualifying distribution events are as follows:

- Retirement
- Unforeseeable emergency within the Plan guidelines (as defined by the Internal Revenue Code and if allowed by your Plan's provisions)
- Severance of employment (as defined by Internal Revenue Code provisions)
- Attainment of age 70½ (whether or not still employed)
- Death (your beneficiary receives your benefits)
- Transfer to purchase service credit

Each distribution is subject to ordinary income tax except for an in-service transfer to purchase service credit.

When can I receive a distribution from my Roth account?

You are eligible to take a distribution of your Roth account for the same reasons stated above in the pre-tax section. However, your distribution is not income tax-free unless you withdraw your Roth contributions and any earnings after holding the account for at least five tax years, and you meet one of the following:

- You are at least age 59½.
- You become disabled.
- You die (after which your beneficiaries will take the withdrawal).

If a distribution is made from your Roth 457 account before you reach age 59½ and it is not due to death or disability, or reaching the five-tax-year period beginning with your first Roth contribution, you will owe income tax on any earnings the Plan distributes. Otherwise, you will not owe income tax on the Roth contributions that the Plan distributes because you were taxed on these dollars before they were contributed to the Plan.

What are my distribution options?

When you are eligible for a distribution, you may:

1. Leave the value of your account in the Plan until a future date.
2. Receive:
 - A lump sum;
 - A partial lump sum;
 - Periodic payments; or
 - Annuity payments.
3. Roll over your account balance to an eligible governmental 457(b), 401(k), 403(b) or 401(a) plan or IRA.

What happens to my account when I die?

Your designated beneficiary(ies) will receive the remaining value of your account. Your beneficiary(ies) can call **800-284-0444** to request a death claim form.

Fees

Are there any recordkeeping or administrative fees to participate in the Plan?

There are currently no explicit fees charged to the participants for recordkeeping or administrative services, and there is currently no annual Contract Maintenance Charge.

Are there any fees for the investment options?

Each investment option has an investment management fee that varies by investment option. These fees are deducted by each investment option's management company before the daily price or performance is calculated. Fees pay for trading individual securities in the underlying investment options and other management expenses.

Funds may impose redemption fees on certain transfers, redemptions or exchanges.

CCAO is paid a fee from fund revenue for providing oversight and staff and to cover other costs to operate the Plan.

Are there any fees for participating in the SDBA?

There is a fee of \$15 per quarter deducted from your account. There are also transaction fees charged by TD Ameritrade and investment management fees for the investment options you select.

Are there any fees for participating in Great-West SecureFoundation®?

The Great-West SecureFoundation Guarantee Benefit Fee is in addition to the fees and expenses of the Plan. For more important information regarding Great-West SecureFoundation, including product specifics and fees, refer to the Great-West SecureFoundation Summary Disclosure Statement attached to the Enrollment Form and also located on your Plan's website.

Are there any distribution fees?

There are no Plan distribution fees.

Loans

May I take a loan from my account?

Verify your eligibility and whether or not your county allows loans by calling participant services at **800-284-0444**.

If your county allows loans, you may borrow the lesser of \$50,000 or 50% of your total account balance. The minimum loan amount is \$2,500, and you have up to five years to repay your loan — up to 15 years if the money is used to purchase your primary residence. There is also a \$75 origination fee that is deducted from the loan proceeds for each loan, plus an ongoing \$35 annual fee assessed at \$8.75 quarterly.

For more information about loans or to apply for a loan, please visit the website at **www.ccao457.com** or call the voice response system toll free at **800-284-0444**.²

Taxes

How does my participation in the Plan affect my taxes?

Because your contributions are taken out of your paycheck before taxes are calculated, you pay less in current income tax. You do not report any current earnings or losses on your account on your current income tax return. Your contributions and any earnings are tax deferred until withdrawn, usually after retirement.

Before-tax distributions from the Plan are taxable as ordinary income during the years in which they are distributed or made available to you or to your beneficiary(ies).

Investment Assistance

How do Roth 457 after-tax contributions affect my take-home pay?

Roth 457 contributions reduce your take-home pay more than traditional 457 contributions because you pay taxes on your Roth 457 contributions up front rather than deferring those taxes until you take a distribution. You will not owe any additional income tax if you withdraw your Roth contributions and any earnings after a five-year taxable period and as long as the withdrawal is one of the following:

- Made on or after the date you attain age 59½.
- Made after your death (your beneficiary will receive your account).
- Attributable to your being disabled.

If a distribution is made from your Roth 457 account before you reach age 59½ and it is not due to death or disability or before five taxable years (beginning on the first day of the tax year when you made your first Roth contribution), you will pay income taxes on any earnings that are distributed. Otherwise, there is no income or penalty tax due on the Roth contributions distributed from the Plan because they were made with after-tax dollars. It's important to remember that you must have a distribution event before you can take a withdrawal of your Roth 457 account.

How do I get more information?

Visit the website or call the voice response system toll free for more information. The website provides information regarding your Plan, financial education, financial calculators and other tools to help you manage your account. Full-time, local Retirement Plan Advisors are available to all CCAO Plan participants. Call today to schedule an appointment.

How can I get help choosing my investment options?

Your Plan offers access to Empower Retirement Advisory Services, offered by Advised Assets Group, LLC, a registered investment adviser.

If you prefer to manage your retirement account on your own, you can use Online Advice. Or you can have AAG manage your retirement account for you through My Total Retirement™. These services provide a retirement strategy based on your investment goals, time horizon and tolerance for risk.

Online Advice and My Total Retirement™ are part of the Empower Retirement Advisory Services suite of services offered by Advised Assets Group, LLC, a registered investment adviser. There is no guarantee provided by any party that participation in any of the advisory services will result in a profit.

For more detailed information, please visit your Plan's website at www.ccao457.com. You may also call the voice response system at **800-284-0444**² and enter your Social Security number and PIN³ to speak to an AAG investment adviser representative.

What fees do I pay to participate in Advisory Services?

The annual My Total Retirement fee will be based on a percentage of your account balance, assessed quarterly, as follows.

Participant Account Balance	Annual My Total Retirement Fee
Up to \$100,000	0.45%
Next \$150,000	0.35%
Next \$150,000	0.25%
Greater than \$400,000	0.15%

For example, if your account balance is \$50,000, the fee will be 0.45% of the account balance. If the account balance is \$500,000, the first \$100,000 will be subject to a fee of 0.45%; the next \$150,000 will be subject to a fee of 0.35%; the next \$150,000 will be subject to a fee of 0.25%; and amounts more than \$400,000 will be subject to a fee of 0.15%.

Columbus, Ohio 43215-4626

TERMS AND CONDITIONS

Upon enrolling, you will be mailed a Welcome Kit that includes the Cancellation Form, Beneficiary Form, Memorandum of Understanding, and Plan Document with more detailed information on the terms and conditions outlined below:

- Your account balance will be held by Ohio Deferred Compensation in trust on behalf of your employer for the exclusive benefit of you or your beneficiaries.
- You can cancel your participation before your forms are processed by calling 877-644-6457 within seven days of the signature date on this form.
- Based on market fluctuations, the rate of return on your account could be either positive or negative. This could result in your account balance being worth less than your contributions.
- Investments have underlying expenses or management fees that will reduce the investment results. Information on these expenses can be found in the fund profiles or the respective prospectus. Call 877-644-6457 to request the fund profile or prospectus.
- Before investing, carefully consider the fund's investment objectives, risks, charges, and expenses. The fund prospectus or profile contains this and other important information. Read the prospectus or profile carefully before investing.
- At any time, you may change the amount you defer or the allocation of future investment options.
- The Internal Revenue Service imposes rules that limit the times you can make changes or receive withdrawals from the Program.

- You may withdraw funds from the Program only upon:
 - Ending your employment (including termination, retirement, or death)
 - An Unforeseeable Emergency (as defined by Section 457 of the IRC)
 - Small Balance Distribution (see Plan Document for eligibility)
- An Unforeseeable Emergency is defined by the IRS as a severe financial hardship. Please see the Program Plan Document for specific details. Purchasing a home, credit card debt, and sending your children to college are not qualifying events.
- Withdrawals may begin after ending your employment and the Program's receipt of your employer's verification that employment ended, final deferral, and the Withdrawal Election form.
- Distributions must satisfy certain minimum requirements upon attaining age 70 1/2.
- The funds in your account may be eligible for rollover to a traditional IRA or to an eligible retirement plan upon ending your employment.
- Your participation in Ohio DC is for long-term retirement savings. You should maintain separate, available emergency funds to cover day-to-day, unanticipated, financial shortages.

Remember, there are no guarantees. Investing involves risk, including possible loss of principal.

Account Executives are registered representatives of Nationwide Investment Services Corporation, Member FINRA.

Summary of Questions

Introduction

1. True False On the average, two out of every 100 workers had a disabling injury in 2008.
2. True False One should be aware of their surroundings only at work and not be concerned about health and safety at home.

OSHA Overview

1. True False Employers have the responsibility to ensure a safe work environment as stated in the general duty clause.
2. True False If there is a recognized safety hazard, employees should first report the hazard to their supervisor.

Safety Committees

1. True False The goal of a work safety committee is to advise and assist management in preventing, or correcting, unsafe or unhealthy work environments.
2. True False Safety is only the responsibility of the safety committee.

Illness/Injury Report

1. True False Employees should immediately report all incidents, which include near-misses, injuries, and illnesses to their supervisors, but not fatalities or hospitalization.
2. True False All information regarding an incident should be documented immediately by filling out an OSHA form 301 and updating information as necessary.

Work Environment Safety

1. True False To correct an ergonomic hazard, you must purchase new equipment.
2. True False The proper way to lift an object is by primarily using your back muscles.
3. True False If you made unsuccessful attempts to locate a ladder, it is okay to stand on a chair to reach an object.

Hazard Communications

1. True False Employees have the “right to know” what chemicals they are exposed to in the work environment.
2. True False Material Safety Data Sheets, also known as MSDS, contain important information that all staff need to know.

Lockout/Tagout

1. True False The Control of Hazardous Energy Standard covers only electricity.
2. True False Only trained employees who are authorized in lockout/tagout procedures may install lockout/tagouts.

Emergency Action Plan

1. True False If employees know their role in an emergency, it is not required to have a written plan.
2. True False Every employee should receive training on their Emergency Action Plan prior to an actual emergency or drill.

Bloodborne Pathogens

1. True False The best procedure to ensure against the spread of bloodborne pathogens, cold, and flu is universal precautions.
2. True False You should never take the time in an emergency situation to provide a barrier between you and another person’s blood or body fluids.

Fire Extinguishers

1. True False Your top priority when confronted with a fire is to protect yourself and evacuate the building to the appropriate safe area.
2. True False PASS stands for pull, aim, squeeze, and sweep the fire.
3. True False It is not necessary to service a fire extinguisher if only the seal is broken.

Violence in the Workplace

1. True False If someone makes a significant change in his/her behavior, work performance, and appearance, this individual may have the potential to become violent within the workplace.
2. True False It is not important to train employees or supervisors on how to resolve conflicts.

Transportation Safety Tips

1. True False In order to maintain two-to-four seconds of distance, visually mark the location of the vehicle in front of you and count 1,001, 1,002, etc., until your vehicle reaches the same point.
2. True False When stopped at a 4-way stop sign, vehicles may move if traffic is about to clear at the intersection.

Checklist for Employee and Supervisor Discussion

1. Where is the OSHA notification poster located in our organization?
2. Who from our office serves on the safety committee?
3. What does our organization use as an OSHA form 301, and where can I obtain one?
4. Where is the OSHA 300A log posted in our organization?
5. Who should I contact to perform an ergonomic office hazard assessment if needed?
6. Where is the MSDS booklet located in our organization? What type of labeling system is used?
7. Who provides additional MSDS training if needed?
8. What in my work area, if anything, requires lockout/tagout?
9. Who in my work area is authorized to perform lockout/tagout?
10. Where is the Emergency Action Plan posted for our organization, and who will provide the training?
11. What is my specific role in our emergency action plan?
12. Is my job at risk for bloodborne pathogens?
13. What is the protocol for reporting exposure to bloodborne pathogens?
14. Who do I contact for servicing a fire extinguisher?
15. What type of extinguisher do I have in my work area, and where is it located?
16. Who do I contact to report the red flags of violence in the workplace?

17. What preventative measures should be taken to prevent violence in the workplace?
18. Does our organization provide any transportation training?
19. What other training (i.e., confined space, machine guarding, or additional in-depth training), if any, will I receive, and when?

CISCO CALL MANAGER QUICK REFERENCE CARD

Placing Calls	
If you want to...	Then...
Make an outside call	Lift the handset , press 7, then dial the number.
Make a new call on the current line	Press the NewCall softkey and dial the number.
Dial with the phone on hook	From the main screen, dial the number and press the Dial softkey. The phone will not produce a dial tone until after you press the Dial softkey. You can also press a line button, the Headset button, the Speaker button, or lift the handset to place the call.
Use the speakerphone	Press the Speaker button and dial the number.
Redial the last number	Press the Redial softkey.
Muting Calls	
If you want to...	Then...
Mute a call in progress	Press the Mute button. The Mute button will turn red.
Un-Mute a muted call	Press the Mute button again. The Mute button light will turn off.
Placing Calls on Hold	
If you want to...	Then...
Place a call on hold	Press the Hold softkey.
Resume a call on hold	Press the Resume softkey.
Resume a call on hold when you have multiple calls on hold	Use the Navigation button to select the desired call before you press the Resume softkey.
Transferring Calls	
If you want to...	Then...
Transfer a call to another number or extension	Press the Transfer softkey – this will place the call on hold. Dial the number or extension to which you want to transfer the call. When the phone rings, press the Transfer softkey again – or, when the party answers, announce the call and then press the Transfer softkey. If the party refuses the call, press the Resume softkey to return to the call.
Forwarding Calls	
If you want to...	Then...
Forward all calls to another number or extension	Press the CFwdALL softkey. You will hear two beeps. Enter the number to which you want to forward all your calls – enter the number exactly as you would if you were placing a call to that number. An animated phone icon with a flashing right arrow will appear in the upper right corner of the LCD screen to indicate forwarding is enabled.
Cancel call forwarding	Press the CFwdALL softkey. The indicator icon will no longer be lit.
Forward all calls directly to voice mail (like DND)	Press the CFwdALL softkey. You will hear two beeps. Press the messages button. An animated phone icon with a flashing right arrow will appear in the upper right corner of the LCD screen to indicate forwarding is enabled.
Conference Calls	
If you want to...	Then...
Establish a conference call.	During a call, press the more softkey, and then the Confm softkey. This will activate a new line and place the current call on hold. Place a call to the party you wish to bring into the conference. When the call connects, press the Confm softkey again. Repeat these steps to add additional callers to the conference.
Drop the last party to enter the conference call	Press RmLstC softkey.

CISCO CALL MANAGER QUICK REFERENCE CARD

Meet Me Conference Calls	
If you want to...	Then...
Establish Meet-Me conference call.	During a call, press the more softkey, and then the Meet Me softkey. Dial 350X. The call will be connected to the conference. Other users should repeat this to be added to the conference. A caller can also be transferred to the conference call. Conference attendants may also be added by selecting the join key if another call comes in while you are in a conference.
Busy Call Back	
If you want to...	Then...
Utilize the busy CallBack feature	Call an extension – if you get a busy signal, press the CallBack softkey . An activation confirmation message will be displayed. Press the Exit softkey to close the confirmation screen, or press the Cancel softkey to cancel the CallBack notification.
Phone Settings	
If you want to...	Then...
Adjust the volume of a call in progress	Press the Volume button while the phone is in use (handset, speakerphone, or headset). The volume will be adjusted. If you wish to make the changes permanent, press the Save softkey.
Adjust the ringer volume	Press the Volume button while the phone is not in use. The ringer volume is automatically saved.
Personalize the ringer tone	Press the settings button. Use the navigation button to select Ring Type and press the Select softkey. Use the navigation button to scroll through the list of ring types. Press the Play softkey to hear the different rings. When you find the ring you want, press the Select softkey to check the corresponding ring. Press the OK softkey to confirm your choice. Press the Save softkey to save all changes made and return the main screen.
Call Parking	
If you want to...	Then...
Park a call	During the call, press the More softkey until you see the Park tab. Press the Park softkey. The LCD screen will display a park number at which the call is stored. Make a note of the call park number, then hang up.
Retrieve a parked call	Dial the call park number from any phone in the system.
Directories	
If you want to...	Then...
See any missed calls	Press the directories button. Select option – Missed Calls Use the navigation button to scroll through the list. Select Dial or EditDial to return the missed call. (EditDial is used to place additional numbers in the dial stream – for example, placing “9,1” before a long distance call).
Review Received Calls	Press the directories button. Select option – Received Calls Use the navigation button to scroll through the list. Select Dial or EditDial to return the missed call.

Change your password	Log onto Unity Press (4) for setup options Press (3) for personal settings Press (1) to change your password
Change your greeting	Log onto Unity Press (4) for setup options Press (1) for greetings and transfers Press (1) to change your greeting

FROM:

- I don't recognize the sender's email address as someone I **ordinarily communicate with**.
- This email is from **someone outside my organization** and it's **not related to my job responsibilities**.
- This email was sent from **someone inside the organization** or from a customer, vendor, or partner and is **very unusual or out of character**.
- Is the sender's email address **from a suspicious domain**? (like micorsoft-support.com)
- **I don't know the sender personally** and they **were not vouched for** by someone I trust.
- **I don't have a business relationship** nor any **past communications** with the sender.
- This is an **unexpected or unusual email** with an **embedded hyperlink or an attachment** from someone I hadn't communicated with recently.

TO:

- I was cc'd on an email sent to one or more people, but I **don't personally know** the other people it was sent to.
- I received an email that was also sent to an **unusual mix of people**. For instance, a seemingly random group of people at my organization whose last names start with the same letter, or a whole list of unrelated addresses.

DATE:

- Did I receive an email that I normally would get during regular business hours, but it was **sent at an unusual time** like 3 a.m.?

SUBJECT:

- Did I get an email with a subject line that is **irrelevant or does not match** the message content?
- Is the email message a reply to something I **never sent or requested**?

ATTACHMENTS:

- The sender included an email attachment that I **was not expecting** or that **makes no sense** in relation to the email message. (This sender doesn't ordinarily send me these types of attachment(s).)
- I see an attachment with a **possibly dangerous file type**.
The only file type that is **always safe to click on** is a .TXT file.

CONTENT:

- Is the sender asking me to click on a link or open an attachment to **avoid a negative consequence**, or to **gain something of value**?
- Is the email **out of the ordinary**, or does it have **bad grammar or spelling errors**?
- Is the sender asking me to click a link or open up an attachment that **seems odd or illogical**?
- Do I have an **uncomfortable gut feeling** about the sender's request to open an attachment or click a link?
- Is the email asking me to look at a **compromising or embarrassing picture** of myself or someone I know?

HYPERLINKS:

- I hover my mouse over a hyperlink that's displayed in the email message, but the **link to address is for a different website**. (This is a **big red flag**.)
- I received an email that only has **long hyperlinks with no further information** and the rest of the email is completely blank.
- I received an email with a **hyperlink that is a misspelling** of a known web site. For instance, www.bankofamerica.com – the "m" is really two characters – "r" & "n".
