

Summer Youth Employment Program

Grant Application

The Summer Youth Employment Program (SYEP) is a workforce development initiative designed to increase career awareness and readiness in young adults while helping local businesses build a future talent pipeline. Through this program, high school and college-aged students (ages 16–22) are connected with local employers to gain valuable work experience.

Participating businesses are reimbursed at a rate of \$15 per hour for each intern hired—either part-time (140 hours, \$2,100) or full-time (280 hours, \$4,200). Part-time and full-time status refers to total program hours, not weekly schedules, giving employers the flexibility to structure hours between May and August.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form
