

Fullerton College Distance Education Addendum (for Online/Hybrid Proposals)

Complete this form to propose a course for traditional ongoing online or hybrid delivery outside of emergencies that disrupt face-face to instruction. Please complete this form for a course, to be included in the Course Outline of Record (COR); do not make it instructor specific. Save the form with a file name that includes "DEA" (Distance Education Addendum) followed by the course discipline prefix and course number, for example, "DEA.COUN151F.docx." **Email the completed form to your Curriculum Division Rep and the Tech Review Chair.**

Relevant Title 5 Sections

§ 55206 Separate Course Approval

If any portion of the instruction in a new or existing course is to be provided through distance education, an addendum to the official course of record shall be required. In addition to addressing how course outcomes will be achieved in a distance education mode, the addendum shall at a minimum specify how the portion of the instruction delivered via distance education meets:

- (a) Regular and effective contact between instructors and students and among students as referenced in title 5, section 55204(a), and
- (b) Requirements of the Americans with Disabilities Act (42 U.S.C. § 12100 et seq.) and section 508 of the Rehabilitation Act of 1973, as amended, (29 U.S.C. § 749d)

The addendum shall be separately approved according to the district's adopted curriculum approval procedures.

Note: Authority cited: Sections 66700 and 70901, Education Code. Reference: Sections 70901 and 70902, Education Code.

§ 55202 Course Quality Standards

The same standards of course quality shall be applied to any portion of a class conducted through distance education as are applied to in-person classes, in regard to the quality judgment made pursuant to the requirements of section 55002, and in regard to any local course quality determination or review process.

Determinations and judgments about the quality of distance education under the course quality standards shall be made with the full involvement of faculty in accordance with the provisions of subchapter 2 (commencing with section 53200) of chapter 2.

Note: Authority cited: Sections 66700 and 70901, Education Code. Reference: Section 70901, Education Code.

§ 55204 Instructor Contact

In addition to the requirements of section 55002 and locally established requirements applicable to all courses, district governing boards shall ensure that:

- (a) Any portion of a course conducted through distance education includes regular effective contact between instructor and students, and among students, either synchronously or asynchronously, through group or individual meetings, orientation and review sessions, supplemental or study sessions, field trips, library workshops, telephone contact, voice mail, email, or other activities. Regular effective contact is an academic and professional matter pursuant to sections 53200 et seq.
- (b) Any portion of a course provided through distance education is conducted consistent with guidelines issued by the Chancellor pursuant to section 409 of the Procedures and Standing Orders of the Board of Governors.

Note: Authority cited: Sections 66700 and 70901, Education Code. Reference: Sections 70901 and 70902, Education Code.

1. Rationale: What is the intent of offering the course by distance education mode? Discuss how offering this course in DE mode benefits students or meets student needs. **Example:** *This course is designed for students who may not otherwise be able to attend a traditional course, or those who simply want to take advantage of the convenience and flexibility of fully or partially online courses.*

2. Mode of Delivery: Check all that apply.

- ☐ Fully Online (FO): all instruction is online (no meetings/assessments scheduled on-campus)
- ☐ Partially Online (PO), includes “hybrid” and online instruction with scheduled on-campus meetings and/or assessments required
- ☐ Online with Flexible in-person component (OFI): online instruction with in-person/proctored assessment/activities at a flexible time and place.

3. Learning Objectives: Explain how students can achieve learning objectives/outcomes as described in the official Course of Record (COR).

If all of the course objectives can be met using Canvas Learning Management System (FC LMS) tools or in the case of a hybrid using Canvas tools and/or in face-to-face meetings, simply check the box below.

☐ Course objectives and SLOs can be met using Canvas LMS and/or during face-to-face meetings

For any course objective or outcome that may not be facilitated by the Canvas LMS, click and type in an explanation of how it will be met in text box below. An example would be a skill demonstration such as an oral presentation or language demonstration, mandatory laboratory, project presentation, etc. For each applicable objective/outcome, describe a sample assignment used in the online modality and the method of evaluation.

4. Regular Effective Contact for Online Education Courses

Frequency: Instructor-student and student-student interactions will occur at least weekly for semester length classes and more frequently for short term classes via Canvas LMS, Zoom or other video chat, websites, faculty virtual office hours, Wikis, apps and/or email. Instructors will respond to inquiries from students, ideally within 24 hours and within three days Monday through Friday.

Contact Types: Contact types include three categories required by Title 5: instructor to student, student to student, and student to content (meaning how students access and interact with course content). Check some examples that may be utilized in this course under each of the three category headings below.
