Hip Kids Pediatrics Financial Policy

As a pediatric medical office, our relationship is with you and your child, not your insurance company. Since our practice has obligations that must be met, we ask that you agree to abide by our financial policies.

While the filing of insurance claims is a courtesy that we extend to our patients. Any and all deductibles and/or co-pays are **DUE AT THE TIME OF SERVICE**; unless payment arrangements have been made and approved in advance. Insurance coverage is an agreement between you and your insurance company for the payment of medical services. You are responsible for understanding your coverage benefits and guidelines for obtaining medical services. You are ultimately responsible for full payment of professional services, laboratory charges or associated costs incurred at the visit. Your clear understanding of this *Financial Policy* agreement is important to our professional relationship.

It is our desire to keep your medical expenses at a manageable level. Should you receive a bill from us and have financial difficulties in paying, please call us to discuss setting up a payment plan. If more charges are added to the balance, new payment arrangements will need to be made. We are happy to help and are here to assist you.

For your convenience we accept Cash, Check, Debit, Visa, MasterCard, American Express and Discover.

YOUR INSURANCE RESPONSIBILITIES

Please bring to **all** appointments the necessary and most current insurance information/card(s) so that we have the information to bill your insurance in a timely and accurate manner. The adult bringing the patient for an office visit must have the most current insurance cards to update our information at each visit, and pay the copays or deductibles due at the time.

- Please notify us immediately of any changes in insurance, address, phone number, etc.
- If you have more than one insurance, we are required follow guidelines set up by the insurance companies to bill according to the "birthday rule". This simply means the parent first birthday in the year is considered primary, AHCCCS, Medicaid and military insurance is the payer of last resort. If you fail to report all insurances, the total balance is your responsibility.
- Insurance companies require that we file a claim within their "timely filing" limits. We do our best to follow all guidelines set forth by insurance contracts. Your failure to notify us of any changes to your insurance status moves the responsibility of payment to you.
- As set up in the insurance contracts, we are required to collect all co-payments at the time of service. If we must bill your insurance to determine your co-insurance/deductible balance, then our office requires payment within 30 days of statement. In these instances you should receive an Explanation of Benefits (EOB) from your insurance company. Please check these for consistency with your plan allowances and for services rendered. It is important to understand the EOP, so if you have questions about how coverage with determined, call your employer's Human Resource Department, or the insurance member service department.

If you have questions about the services billed, please call us at **(480) 447-9490**.

- Well-visits, camp, schools and sports physical examinations, immunizations, as well as other routine services may not be covered by some insurance plans. It is your responsibility to verify coverage for your child.
- **Newborns – Please contact your insurance company as soon as possible after the birth of your child. Most health plans allow 30 days to add your newborn** otherwise you may have to wait until an open enrollment period to add coverage for your new baby.
- Hearing and vision exams are often not covered.
- Telephone Evaluation and Management services by your physician will be billed to your respective insurance plan (No copay will be applied). At this time we do not provide Email/Internet Evaluation and Management services.
- Telephone Assessment and Management services by our nurses will be billed to your respective insurance plan (No copay will be applied). At this time we do not provide Email/Internet Assessment and Management services.
- Mental Health benefits are often different than medical benefits. Common conditions such as ADD, ADHD, Developmental Delays, Learning Disorders, Depression, Autism, Anxiety, Psychological Testing and others are usually considered under the mental health benefits of an insurance plan.
- During a periodic health exam additional tests or procedures may be ordered such as hearing and vision screening, immunizations and laboratory tests. According to AMA guidelines, when a patient presents for a periodic health exam with concerns that require evaluation beyond the scope of a routine periodic health examination, the coding must be adjusted to reflect the additional services performed. Insurance carriers do not cover the coding used to report these services as a periodic health exam. These services are subject to any copay, deductible or policy restriction that may exist. Further definitions of these criteria may be discussed with your physician.

- If your child is sick on the day of the well-child appointment, we can either see your child for the sick-visit and reschedule the well-visit or see the child for both. Insurance may not cover both the well- and sick-visit on the same day and you may be responsible for any remaining balance.

SELF PAY

- Full payment is required at the time of service.
- If you do not have your child's insurance card upon check-in and we cannot verify coverage, you will be considered a self-pay patient.
 - New patients to Hip Kids Pediatrics: All self-pay new patients will be required to make a deposit of \$100.00 at the time of the first visit with any remaining balance being billed to you, if charges surpass \$100.
 - Established patients with accounts in good standing: All self-pay established patients will be requested to make a deposit of \$100.00 at the time of a visit with any remaining balance being billed to you, if charges surpass \$100. If you are unable to make the \$100 deposit at the time of visit, we will request that you sign a monthly payment plan with us before your visit.
- As a self-pay patient all labs or imaging will be done through your preferred imaging or lab and payment is due directly to them.
- For those who have no insurance, the Vaccines for Children (VFC) Program program will cover the cost of vaccines but not the administration fee (which may be up to \$20.00 per vaccine).

YOUR FINANCIAL RESPONSIBILITIES

- We are happy provide you with a billing statement each time your child receives services, and ask that your address and phone remain current for us to mail statements to you.
- Please be prepared to pay your co-pay or deductible at the time of service; or if you do not have insurance, to pay for your visit in full.
 - For patients with **HMO plans**, co-payment is required at the time of service. The amount of co-payment varies with different plans. You are responsible for knowing the **co-payment** amount and **primary care physician** listed on each child's card.
 - For patients with **PPO plan**, payment is required at the time of service until the new year's deductible has been met. After that, we require co-payments or your liability to be paid at the time of service.
 - Any co-pays that are not paid on the day of the visit may be subject to an additional \$10 fee if not collected by the end of the business day.
- **The adult accompanying a minor to a visit and/or the legal parents/guardians are responsible for full payment** (regardless of insurance coverage) and will be set up as the person who receives the bill (guarantor) and must provide complete demographic information including both parent's dates of birth and social security numbers, current address and telephone numbers.
- **Hip Kids Pediatrics will not be involved in negotiating between parents/guardians in legal disputes.** In order to change a guarantor, the person who will receive future bills must complete and sign a *Change of Guarantor Form*.
- You are responsible for all balances not paid by your insurance carrier and **must be prepared to pay any outstanding balance due** at the time of visit.
- Please pay your bill in full when you receive your statement or make payment arrangements with our Patient Account Services department.
- When checks are returned to us because of non-sufficient funds a \$25.00 charge will be added to your account and your account will be placed on a "cash-only basis." We will accept payments only by cash or credit card until the balance is cleared.
- We do offer a cash discount (except on vaccines/supplies) to all patients who pay in full on the date of their visit. If you would like to take advantage of the discount please let the receptionist know when checking in your child.
- Physicals, well-visit exams, attention-deficit/hyperactivity disorder checks, and the like may be rescheduled if there are outstanding balances or if a co-payment is not made at time of service.
- If you are experiencing financial difficulty, please discuss the situation with us. Satisfactory arrangements can almost always be made. Financial considerations should never prevent a child from receiving the care they need at the time they need it. However, if you ignore or fail to respond to your financial obligation, we reserve the right to discharge you from our practice and cancel any appointments past 30 days. If payment is not received nor arrangements made, we

will assume you no longer want to have your children seen at Hip Kids Pediatrics. Your account may be sent to collections and all legal fees and collection expenses will be added to your balance.

- Existing patients with delinquent accounts, claimed bankruptcy, or have balances written off to bad debt: Payment in full required at time of visit on all further visits to remain in our practice.

UNPAID BALANCES

- Outstanding balances are due within 30 days, unless prior arrangements have been made with the billing department.
- A \$25.00 rebilling fee will be added to balances that remain outstanding more than 90 days and a certified final request for payment letter will be issued.
- Balances not paid in full within 10 days of the date on the final (third) request letter will be forwarded to a collection agency. The patient/responsible party will then be responsible for the amount due plus all costs of collection, including but not limited to:
 - All collection expenses charged by the collection agency
 - Court costs
 - Attorney's fees
 - Any discounts previously applied to the account may be reversed
- If your account is forwarded to a collection agency, we will continue to see your child on an emergency basis only for the next 30 days, giving you time to find a new pediatric medical office.

MISSED APPOINTMENTS/LATE CANCELLATIONS/NO SHOWS

Broken appointments represent a cost to us, to you, and to other patients who could have been seen in the time set aside for you. We reserve the right to charge a fee for canceled or missed appointments/no shows. For cancellations, 24 hours' notice prior to the appointment is requested. **A \$50 fee will be charged for a missed well child appointment or consult. A \$25 fee will be charged for a missed sick visit appointment.** Please call us if you will be more than 10 minutes late, or are unable to keep an appointment to avoid being counted as a No-Show. If you call with less notice than time is available to rebook your appointment time, a no-show fee may apply. After a third missed appointment in a family within a 1-year period, the family will be seen for 30 days as we must discharge from the practice due to a failed professional relationship. Please review our *Office Policy* for more information.

FORMS AND FEES

- There is a \$10 prepayment fee for the review and completion of school/child care forms not provided at the time of the well-child examination, or anything needed urgently. A school/child care form is provided at no cost at every examination. Please keep the original form and photocopy for your child's school, camp, or activity. APPOINTMENTS

IN THE CASE OF A LIFE-THREATENING EMERGENCY, PLEASE CALL 911 IMMEDIATELY.

- **Schedule an appointment by calling 480 447-9490.** Walk-in patients are not scheduled and instead are offered the first available appointment and are not guaranteed sameday. There is a \$10 fee for this service and it is not covered by insurance.
- **Appointments for additional children should be made by phone prior to coming to the office.** A \$10 charge is applied for the add-on appointments. If you would like another child to be seen, please schedule appointments for *all* children by *phone* prior to coming to the office and you will not be charged a fee.
- **Schedule same-day appointments for Sick-Visits.** Call our reception staff early in the day to request a same day appointment with the next available pediatrician. Although we will make every effort to schedule your child's Sick-Visit with the doctor of your choice, the schedule may not always permit this.
- **Arrive early if you are a new patient.** Please remember that all insurance requires that your insurance data be updated prior to each encounter. This usually takes a few minutes. If this is not done, your insurance may deny your claim. We do not want time spent on administrative requirements to limit your time with the doctor.
- **Patients who arrive on time are seen at their appointment time.** Patients who have arrived on time will be seen ahead of those who arrive late. If you arrive late, we may need to abbreviate or reschedule your child's visit.
- **Call ahead if you are late or unable to make your appointment time.** We will do all that we can to accommodate your child's appointment and to minimize the need to reschedule your appointment.
- **Late arrivals (>15 minutes after scheduled appointment) will be offered the next available appointment.** In these cases, a \$50 no-show charge for the lost appointment will apply. While we will do all that is possible to accommodate requests, the first-available appointment may *or may not* be on the day the appointment was missed.
- **The no-show charge will be waived if you contact the office before your appointment.** Appointments canceled more than 24 business hours prior to when they were scheduled do *not* incur a no-show fee.
- **Appointments for additional children should be made by phone prior to coming to the office.** A \$10 charge is applied for the add-on appointments. If you would like another child to be seen, please schedule appointments for *all* children by *phone* prior to coming to the office.

The above noted fees will NOT be billed to your insurance; they are your personal responsibility. Our office will try to appointments a day or two prior to your appointment (or on Friday for Monday appointments). This is provided as a courtesy to our families; it is your responsibility to remember your appointment. If an appointment is missed more than three times you will be asked to transfer care to another practice.

WELL-VISIT APPOINTMENTS

Well-Visit exams consist of a complete physical exam that includes a developmental evaluation, measurement of height and weight, hearing and vision screen, blood pressure, scoliosis check, neurological exam and an update of immunizations.

Depending on the age of the child, we may check for anemia and perform a developmental screen. Diet and sleep patterns are discussed, as well as in-depth discussions regarding safety and behavioral issues.

With adolescent physicals, there may be discussions regarding high-risk behavior, sexuality, peer pressure, school related issues and depression.

A Well-Visit physical is required every 12 months for most day care facilities, camps, junior high and high school sports. The AAP recommends yearly Well-Visit physicals from age two years to 21 years. Visits are more frequent under the age of two years.

SICK APPOINTMENTS

Each weekday, we are prepared to see any sick child who should be examined that day. Call our reception staff early in the day to request a same day appointment with the next available pediatrician. Although we will make every effort to schedule your child's Sick-Visit with the doctor of your choice, the schedule may not always permit this.

If your child has multiple symptoms, problems, or concerns, please let the receptionist know if the problem has been recent or long-standing when you make the appointment so the visit can be extended. We want to make sure the doctor has enough time to address all of your concerns without feeling rushed.

If your child is sick on the day of the Well-Visit appointment, we can either see your child for the Sick-Visit and reschedule the Well-Visit or see the child for both. Your insurance plan may NOT cover both the Well- and Sick-Visit on the same day and any remaining balance will become 100% your responsibility.

NEWBORNS

It will be necessary for you to contact your employer or your insurance provider's member services department within 30 days of your child's birth. You will need to complete the appropriate forms to add your baby to your family policy. If the paperwork is not completed and received by your insurance provider within the 30-day grace period, there is a strong possibility that coverage will be denied until the next insurance open enrollment period through your employer. Therefore, to avoid any charges that you will be responsible for if your baby is not added as a covered dependent, please fill out their forms within 30 days of your child's birth.

If your insurance provider requires that you choose a Primary Care Physician (PCP), make sure you select one of our physicians in this practice. There may be a separate form to complete specifically for this reason. If one of our physicians is not chosen when required by your insurance provider, your insurance provider may deny payment and any balance will become 100% your responsibility.

AFTER-HOURS CALL SERVICE

IN THE CASE OF A LIFE-THREATENING EMERGENCY, PLEASE CALL 911 IMMEDIATELY.

Please limit after-hour calls to urgent issues and emergencies. After 5pm, call the answering service at (480) 303-1557 and they will take your information and page either the doctor or nurse to return your important call. If your child must be seen by a doctor after hours, we suggest the taking them to an urgent care center located near you.

For prescription refills, appointment requests, and other non-urgent matters, you may leave a message or call the during regular office hours: Monday through Friday, 8am to 5pm.

Please do the following when using this service:

- ☐ When leaving a message, please speak slowly & clearly.
- ☐ Be sure to leave a callback number.
- ☐ Disable your call block feature.

REFILLS & PRESCRIPTIONS

- ☐ For monthly medication refills, we require 48 hours' notice, during regular business hours. Please plan accordingly.
- ☐ If you require a "same-day" refill for a written prescription, there will be a \$10 fee.
- ☐ It is the policy in our practice that **NO NEW** medication is prescribed without the patient being evaluated by their physician first.
- ☐ It is the doctors' general policy not to phone in antibiotic prescriptions. If your child is sick enough to require an antibiotic, we highly encourage for he or she first to be examined.
- ☐ For chronic conditions, we will be more than happy to fulfill a prescription refill.

REFERRALS

- ☐ Many insurance companies require a referral from your primary care physician before a specialist may see you. Many times we can treat the problem, thus saving your additional time. Once you have been referred to a specialist by our office, call that specialist, set up an appointment time, and then call us for a follow-up appointment after the visit with the specialist.
- ☐ It is your responsibility to know if a selected specialist participates in your insurance plan.

MEDICAL RECORDS

A completed and signed record *Release* must be done before any records are released. Please allow ten working days for records to be copied if being picked up and additional time if being mailed. If records are not being directly released to another physician's office, there will be a fee of \$1.00 per page up to 25 pages and \$.25 per page thereafter applied and must be paid prior to release of any records.

NURSES CHARGES

Please be advised that when bringing a child in for any follow-ups, consults, throat culture, strep swab, blood tests, vision screening, hearing screening or for a weight check; there will be a charge and copay assessed. This is due to the fact that the nurse must record each visit in the chart.

DAYCARE, CAMP, SCHOOL & SPORTS FORMS AND IMMUNIZATION RECORDS

We will be glad to fill out any school, camp, daycare, sport forms and/or immunization records at the time of your child's physical examination or Well-Visit at no charge. - ☐ Patients with outstanding balances greater than 30 days will not be able to receive their forms until balances are current.
- ☐ There is no charge for a blue *Childhood/Adolescent Immunization Administration Record* and *Lifetime Immunization Record* given at the time of your child's first visit. However, should you lose your Records, there will be a \$10 charge for each *Record* to replace them. We are happy to provide an electronic or paper copy free of charge at the time of visit.
- ☐ Forms that need to be filled out by a nurse or physician can be left at our office for completion and then picked up in 1-2 days. If a self-addressed stamped envelope is provided, we will mail the form to you or the facility. Some forms can also be faxed to the facility.
- ☐ Parents – please read the requirements for physicals on camp and sports forms. Some camps and/or sports specify that the child have a physical exam every 12 months. If you need a form filled out, and it indicates the need for a past physical exam within the last year, we cannot sign the form unless your child has had a complete physical exam within that time period.

UNACCOMPANIED MINORS

Due to HIPAA regulations our office requires a dated and signed *Authorization To Provide Medical Care* Form when a person other than the birth parent or legal guardian is accompanying a minor to their appointment by. This includes stepparents, grandparents, day care providers, nanny, baby-sitter, etc. Non-emergency care may be denied without this *Form*. This form is available on our website: www.ActiveKidsPediatrics.com.

We expect children under twelve to be accompanied by a parent or guardian for a Well-Visit. Nannies, baby sitters, and siblings cannot usually provide the information we need and often will not fully understand our instructions or requests.

Adolescents may be examined alone, and parts of the examination are confidential. Nevertheless, it is helpful for adolescents to be accompanied by a parent or guardian as well. Please review our *Limitation of Access Policy (Consent and Confidentiality for Adolescents)*.

Once a patient turns 18, new patient intake sheets are filled out and signed by the, now 18-year-old, patient. HIPAA guidelines mandate we must have the patient's consent to release their medical information, even to a parent.

OFFICE BEHAVIOR

- ☐ We expect parents to assist us in examining their children when requested; this helps the exam go more smoothly for you and the child.
- ☐ Please be courteous to other patients, our staff and our doctors and turn-off or mute cell phones in our office and examination rooms.
- ☐ Please avoid bringing food that causes messes or beverages that may spill- avoid eating in our office to honor patients with food allergies.

WHAT TO BRING

- ☐ Always bring your current health insurance card to the office.
- ☐ Bring your child's immunization records with you.
- ☐ List of medications your child may be taking, there is no need to bring the actual medications.
- ☐ Please notify us at time of check-in of any changes in your insurance, address, phone number, etc.

We are here to provide the *best* care we can to your children. As always, we welcome the opportunity to care for your children and appreciate your trust in the services we provide.
