1. The following terms and conditions form an agreement between this dental office the patient, patient's parent, guardian and/or guarantor responsible. I certify that I have read and understand the information to the best of my knowledge, and the questions have been accurately answered. I authorize the dentist to release any information, including the diagnosis and the records of my treatment or examination rendered to me or my child during the period of such dental care, to third party payers and/or health practitioners. I authorize and request my insurance company to pay directly to Dr. Peter Kuenzli any insurance benefits otherwise payable to me. I also acknowledge that I received and read a copy of this office privacy policy.
2. All dental services rendered to patient will be charged to the account of the patient and/or responsible party. All dental services are to be paid at the time of service, unless arrangements are made prior to treatment. If financial arrangements are made there may be a credit check which will be at the expense of the patient and/or responsible party. As a service to the patient and/or responsible party, we will file all insurance claims with your primary/secondary dental insurance company identified by patient and/or responsible party, prior to the dental services being rendered and if patient and/or responsible party has provided a copy of the insurance benefits card, military ID card and a picture ID. While this dental office agrees to file such claims, the patient and/or responsible party remain liable for all charges billed by this dental office for treatment to patient, whether or not the patient and/or responsible party contends that insurance will cover the claim. The patient and/or responsible party shall pay all co-payments and/or deductibles on the day the dental services are rendered. The patient and/or responsible party shall be responsible for handling all disputes with the insurance company. The patient and/or responsible party shall pay all amounts not paid by insurance within thirty (30) days of the date of treatment. Services can be paid with cash, check, Care Credit or credit cards. In the event of unexpected complications during any dental procedure, we reserve the right to increase the fee to reflect the increased care necessary.
3. Patient and/or responsible party accepts responsibility for full payment of all dental services performed on the patient. All accounts not paid in full within the thirty (30) days of the date of service, shall incur a finance charge in the amount of two percent per month (24% per annum) on the unpaid balance from the date of service. If this account is referred to collections, I understand that I will be responsible for the account balance, collection costs, accrued interest, and attorney's fees (equal to 33.3%) of the amount referred for collection.
4. I understand that if I fail to make or cancel my scheduled appointment with either the Doctor or Hygienist without 24 hour notice, that Peter Kuenzli DDS reserves the right to charge me up to 66% of the scheduled time reserved.
