NJHS Character Profile Essay

As part of your National Junior Honor Society application, you will write a Character Profile Narrative. This is your opportunity to show who you are, what matters to you, and how your character makes a positive impact on our school community.

Write a narrative-style essay that:

1. **Describes three positive character traits you possess.**
(Examples: responsibility, kindness, leadership, perseverance, generosity, integrity.)
2. **Shares real examples or stories** that show these traits in action.
These can be from school, activities, family life, or your community.
3. **Explains how these traits would make you a strong member of the National Junior Honor Society.**

Guidelines:

- Include an introductory paragraph, three body paragraphs and a conclusion. (Quality matters more than length.)
- Make sure your writing is proofread, polished, and your own best work.
- Include your first and last name and grade level in the top left corner of your document.
- Place typed essay in your application packet.

Tips for Success

- Start with a brief moment or example that shows your character.
- Be specific—explain what you did and why it demonstrates that trait.
- Connect your strengths to the values of NJHS: scholarship, service, leadership, character, and citizenship.

Your narrative should help reviewers understand who you are, not just what you've done. Take your time, reflect honestly, and let your writing tell your story. Good luck!
