PATIENT AUTHORIZATION

I, _____, hereby authorize **Rosedale Primary Care Physicians** to apply for benefits on my behalf for covered services rendered. I request payment from any of the above-named insurances, be made directly to the above named provider.

I certify that the information I have reported with regard to my insurance coverage is correct and further authorize the release of any necessary information, including medical information and records for this or any related claim, to the above-named billing agent, (or in the case of Medicare Part B benefits, to the Social Security Administration and Health Care Financing Administration) and / or the insurance company named above. I permit a copy of this authorization to be used in place of the original. This authorization may be revoked by either me or the above-named carrier at any time in writing.

I request that payment of authorized medical benefits be made either to me or on my behalf to the above-named provider for any services furnished me by that physician / supplier. I authorize any holder of medical information about me to release any information needed to determine these benefits payable for related services, including the patient's medication list from the state or any other source.
